**MEMORANDUM OF STUSCO PREFERENTIAL RIGHT TO PURCHASE  
HYDROCARBONS**

This Memorandum of STUSCO Preferential Right to Purchase Hydrocarbons (this "Memorandum") is made and entered into by and between Shell Trading (US) Company, a Delaware corporation ("STUSCO") and W&T Offshore, Inc., a Texas corporation ("W&T"), and is as follows:

1.     Preferential Right to Purchase Hydrocarbons. STUSCO and W&T have entered into a Crude Oil Purchase and Sale Agreement dated effective January 27, 2025 (the "Agreement"), that provides STUSCO with a Buyer Preferential Right (as defined in the Agreement) applicable to certain offers received by W&T from third-parties to purchase crude oil produced and saved from the lease(s) described on Exhibit A (whether one or more, collectively, the "Leases"). Under the Buyer Preferential Right, W&T has granted to STUSCO a preferential right to purchase crude oil produced and saved from the Leases (other than Retrograde Condensate) for an initial term that expires on July 31, 2028, subject to the Minimum Quantity extension described in the Agreement. The Agreement describes the wells that have been drilled and completed on the Leases as of the effective date of the Agreement, as more particularly identified on Exhibit A attached hereto. For purposes of this Memorandum, "Retrograde Condensate" means any hydrocarbon liquids initially received on gas pipelines as natural gas but which falls out as hydrocarbon liquids in transit in the gas pipeline and is recovered at onshore gas pipeline separation facilities and sold as hydrocarbon liquids (crude oil).

2.     Recordation. The terms and provisions of the STUSCO Preferential Right are incorporated herein by reference for all purposes. This Memorandum is to be recorded in the Real Property Records of Terrebonne Parish, Louisiana, for the purpose of giving all interested parties and potential counterparties of W&T involving the purchase and sale of crude oil notice of the existence of the Buyer Preferential Right and the rights and duties of each of the parties related thereto. This Memorandum shall not be deemed or construed in any way to modify or amend the provisions of the Agreement which are incorporated herein by reference, and the rights and obligations of the parties to the Agreement and the rights and obligations of any successors-in-interest thereto shall be governed solely by the terms of the Agreement.

This Memorandum is executed to be effective as of the 27<sup>th</sup> day of January, 2025.
