PROCEEDS FROM PRODUCTION

Section 3.1 **Assignment of Hydrocarbons.**

(a) In order to further secure the Obligations, to the maximum extent permitted by Louisiana law, the Mortgagor has assigned, transferred, conveyed and delivered and does hereby absolutely and unconditionally assign, transfer, convey and deliver unto the Mortgagee, for its

benefit and the ratable benefit of the other Secured Parties, effective as of the Effective Date at 7:00 a.m. New York time, all Hydrocarbons produced from, relating to, and which are attributable to, the Mortgagor's interest, now owned or hereafter acquired, in and to the Oil and Gas Properties, or are allocated thereto pursuant to pooling or unitization orders, agreements or designations, and all proceeds therefrom, including, without limitation, all As-Extracted Collateral relating to the Hydrocarbon Interests, the Hydrocarbons and all products obtained or processed therefrom.

(b) Subject to the provisions of subsection (g) below, all parties producing, purchasing, taking, possessing, processing or receiving any Hydrocarbons relating to the Oil and Gas Properties, or having in their possession any such Hydrocarbons, or the proceeds therefrom, for which they or others are accountable to the Mortgagee by virtue of the provisions of this Section 3.1, are authorized and directed by Mortgagor to treat and regard the Mortgagee as the assignee and transferee of the Mortgagor and entitled in its place and stead to receive such Hydrocarbons and the proceeds therefrom.

(c) Subject to the provisions of subsection (g) below, the Mortgagor directs and instructs each of the parties described in subsection (b) above to pay to the Mortgagee, for its benefit and the ratable benefit of the other Secured Parties, all of the proceeds of the Hydrocarbons until such time as such party has been furnished evidence that the Final Discharge Date has occurred; provided, however that, but subject in all respects to Clause 20 (*Project Accounts*) of the Senior Facility Agreement, until the Mortgagee shall have exercised the rights as herein provided to instruct such parties to deliver the Hydrocarbons and all proceeds therefrom directly to the Mortgagee, such parties shall be entitled to deliver the Hydrocarbons and all proceeds therefrom to the Mortgagor for the Mortgagor's use and enjoyment, and the Mortgagor shall be entitled to execute division orders, transfer orders and other instruments as may be required to direct all proceeds to the Mortgagor without the necessity of joinder by the Mortgagee in such division orders, transfer orders or other instruments. In order to have said revenues and proceeds so paid to the Mortgagee in accordance with the preceding sentence, the Mortgagor agrees to perform all such acts, and to execute all such further assignments, transfers and division orders, and other instruments as may be reasonably required or desired by the Mortgagee, any other Secured Party, or any party producing, purchasing, taking, possessing, processing or receiving any production from the Oil and Gas Properties, or having in their possession any such production, or the proceeds therefrom, for which they or others are accountable to the Mortgagee by virtue of the provisions of this Section 3.1. None of such parties shall have any responsibility for the application of any such proceeds received by the Mortgagee. Subject to the provisions of subsection (g) below, the Mortgagor authorizes the Mortgagee to receive and collect all proceeds of the Hydrocarbons.

(d) Subject to the provisions of subsection (g) below, the Mortgagee may endorse and cash any and all checks and drafts payable to the order of the Mortgagor or the Mortgagee for the account of the Mortgagor, received from or in connection with the proceeds of the Hydrocarbons affected hereby, and the same may be applied as provided herein. The Mortgagee may execute any transfer or division orders in the name of the Mortgagor or otherwise, with warranties and indemnities binding on the Mortgagor; provided that the Mortgagee shall not be held liable to the Mortgagor for, nor be required to verify the accuracy of, the Mortgagor's interests as represented therein.

(e) Subject to the provisions of subsection (g) below, the Mortgagor will execute and deliver to the Mortgagee any instruments the Mortgagee may from time to time request for the purpose of effectuating this assignment and the payment to the Mortgagee of the proceeds assigned.

(f) Neither the foregoing assignment nor the exercise by the Mortgagee of any of its rights herein shall be deemed to make the Mortgagee a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Oil and Gas Properties or the use, occupancy, enjoyment or operation of all or any portion thereof, unless and until the Mortgagee, in person or by agent, assumes actual possession thereof, nor shall appointment of a receiver for the Oil and Gas Properties by any court at the request of the Mortgagee or by agreement with the Mortgagor or the entering into possession of the Oil and Gas Properties or any part thereof by such receiver be deemed to make the Mortgagee a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Oil and Gas Properties or the use, occupancy, enjoyment or operation of all or any portion thereof.

(g) Notwithstanding anything to the contrary contained herein, so long as no Enforcement Date shall have occurred, but subject in all respects to Clause 20 (*Project Accounts*) of the Senior Facility Agreement, the Mortgagor shall have the right to collect all revenues and proceeds attributable to the Hydrocarbons that accrue to the Oil and Gas Properties or the products obtained or processed therefrom, as well as any Security and security interests securing any sales of said Hydrocarbons and to retain, use and enjoy same. Unless an Enforcement Date has occurred, the Mortgagee agrees it will not (i) seek to enforce any rights granted to it under this Article III, (ii) send to any production purchasers any transfer notices or letters in lieu of transfer orders that the Mortgagor may have executed and delivered to the Mortgagee in connection with this Mortgage, or (iii) otherwise demand payment of or receive any Hydrocarbons or proceeds of Hydrocarbons.

(h) Subject to the provisions of subsection (g) above, the Mortgagee shall have the right (but not the obligation) at the Mortgagee's election and in the name of the Mortgagor, or otherwise, to prosecute and defend any and all actions or legal proceedings deemed advisable by the Mortgagee in its sole discretion in order to collect such proceeds and to protect the interests of the Mortgagee or the Mortgagor, with all costs, expenses and attorneys fees incurred in connection therewith being paid by the Mortgagor. In addition, should any purchaser taking production from the Oil and Gas Properties fail to pay promptly to the Mortgagee in accordance with this Article III, the Mortgagee shall have the right to demand (in addition to all other remedies available under Louisiana law) on and from an Enforcement Date, a change of connection and to designate another purchaser with whom a new connection may be made without any liability on the part of the Mortgagee in making such election, so long as ordinary care is used in the making thereof, and upon failure of the Mortgagor to consent to such change of connection, the entire amount of all the Obligations may, at the option of the Mortgagee, be immediately declared to be due and payable and subject to foreclosure or other remedies hereunder.

(i) Without in any way limiting the effectiveness of the foregoing provisions, if the Mortgagor receives any proceeds which under this Section 3.1 are payable to the Mortgagee, the Mortgagor shall hold the same in trust and remit such proceeds, or cause them to be remitted, immediately, to the Mortgagee.

Section 3.2 Application of Proceeds. All payments received by the Mortgagee pursuant to this Article III attributable to the interest of the Mortgagor in and to the Hydrocarbons shall be applied in accordance with Clause 31 (*Application of Proceeds*) of the Senior Facility Agreement.

Section 3.3 Mortgagor's Payment Duties. Except as provided in Section 7.18 hereof, nothing contained herein will limit the Mortgagor's absolute duty to make payment of the Obligations regardless of whether the proceeds assigned by this Article III are sufficient to pay the same, and the receipt by the Mortgagee of proceeds from Hydrocarbons under this Mortgage will be in addition to all other Security now or hereafter existing to secure payment of the Obligations.

Section 3.4 Liability of Mortgagee. The Mortgagee is hereby absolved from all liability for failure to enforce collection of any of such proceeds, and from all other responsibility in connection therewith except the responsibility to account to the Mortgagor for proceeds actually received by the Mortgagee.

Section 3.5 Actions to Effect Assignment. Subject to the provisions of Section 3.1(g), the Mortgagor covenants to cause all operators, pipeline companies, production purchasers and other remitters of said proceeds to pay promptly to the Mortgagee the proceeds from the Hydrocarbons in accordance with the terms of this Mortgage, and to execute, acknowledge and deliver to said remitters such division orders, transfer orders, certificates and other documents as may be necessary, requested or proper to effect the intent of this assignment; and the Mortgagee shall not be required at any time, as a condition to its right to obtain the proceeds of the Hydrocarbons, to warrant its title thereto or to make any guaranty whatsoever. In addition, at the request of the Mortgagee, the Mortgagor covenants to provide to the Mortgagee the name and address of every such remitter of proceeds from the Hydrocarbons, together with a copy of the applicable division orders, transfer orders, sales contracts and governing instruments. All expenses incurred by the Mortgagee in the collection of said proceeds shall be repaid promptly by the Mortgagor; and prior to such repayment, such expenses shall be a part of the Obligations secured hereby. If under any existing Contracts for the sale of Hydrocarbons, other than division orders or transfer orders, any proceeds of Hydrocarbons are required to be paid by the remitter directly to the Mortgagor so that under such existing Contracts payment cannot be made of such proceeds to the Mortgagee in the absence of foreclosure, the Mortgagor's interest in all proceeds of Hydrocarbons under such existing Contracts shall, when received by the Mortgagor, constitute trust funds in the Mortgagor's hands for the benefit of the Mortgagee (for its benefit and for the benefit of the other Secured Parties), and shall be immediately paid over to the Mortgagee.

Section 3.6 Power of Attorney. Without limitation upon any of the foregoing, the Mortgagor hereby irrevocably designates and appoints the Mortgagee as true and lawful agent and attorney-in-fact (with full power of substitution, either generally or for such periods or purposes as the Mortgagee may from time to time prescribe), with full power and authority, for and on behalf of and in the name of the Mortgagor, to, on and after an Enforcement Date, execute, acknowledge and deliver all such division orders, transfer orders, certificates and other documents of every nature, with such provisions as may from time to time, in the opinion of the Mortgagee, be necessary or proper to effect the intent and purpose of the assignment contained in this Article III; and the Mortgagor shall be bound thereby as fully and effectively as if the Mortgagor had personally executed, acknowledged and delivered any of the foregoing orders, certificates or documents. The power of attorney conferred by this Section 3.6 is granted for valuable

consideration and coupled with an interest and is irrevocable until the Final Discharge Date. Any person dealing with the Mortgagee, or any substitute, shall be fully protected in relying upon any demand for payment of proceeds of the Hydrocarbons without the need to confirm whether an Enforcement Date has occurred and by treating the powers and authorities conferred by this Section 3.6 as continuing in full force and effect until advised by the Mortgagee that the Final Discharge Date has occurred.

ARTICLE 4

COVENANTS, REPRESENTATIONS, WARRANTIES AND AGREEMENTS OF MORTGAGOR

Section 4.1 **Representations and Warranties**. The Mortgagor represents and warrants as follows:

(a) *Title to Collateral*. To the extent of the undivided interests specified on Exhibit A, the Mortgagor is the legal and/or beneficial owner of the Collateral (other than the Shenandoah Leases) secured, or purported to be secured, hereby, free from any Security (other than the Security created hereunder and any Permitted Security). To the extent of the undivided interests specified on Exhibit A, the Mortgagor has good and defensible title, as is customary in the oil and gas industry, to all of its Shenandoah Leases free and clear of all Security except for Permitted Security. As of the date hereof, the descriptions set forth in Exhibit A of the quantum and nature of the interests of the Mortgagor in and to the Oil and Gas Properties include the entire interests of the Mortgagor in the Oil and Gas Properties and are complete and accurate in all respects. This Mortgage is and will remain a valid and enforceable Security on the Collateral subject only to the exceptions referred to above. The Mortgagor will preserve its interest in and title to the Collateral and will forever warrant and defend the same to the Mortgagee and will forever warrant and defend the validity and priority of the lien hereof against the claims of all persons and parties whomsoever, in each case subject to Permitted Security.

(b) *Production Burdens, Expenses and Revenues*. To the best of Mortgagor's knowledge having made due and careful inquiry, all rentals, royalties, shut-in royalties and other payments due under or with respect to the Oil and Gas Properties and other items comprising the Collateral have been properly and timely paid, except for payments held in suspense in the ordinary course of business or remitted to state agencies responsible for handling unclaimed property. All overriding royalties due under or with respect to the Oil and Gas Properties have been properly and timely paid, except for payments held in suspense in the ordinary course of business or remitted to state agencies responsible for handling unclaimed property. To the best of Mortgagor's knowledge having made due and careful inquiry, all expenses payable under the terms of the Contracts have been properly and timely paid except for such expenses being contested in good faith by appropriate proceedings, and for which reserves shall have been made therefore and except for such expenses as are being currently paid prior to delinquency in the ordinary course of business. To the best of Mortgagor's knowledge having made due and careful inquiry, all of the proceeds from the sale of Hydrocarbons produced from the Realty Collateral are being properly and timely paid to the Mortgagor by the purchasers or other remitters of production proceeds without suspense.

(c) *Mortgagor's Address.* The address of the Mortgagor's place of business, chief executive office and office where the Mortgagor keeps its records concerning accounts, contract rights and general intangibles is as set forth in Section 7.12, and there has been no change in the location of the Mortgagor's place of business, chief executive office and office where it keeps such records and no change of the Mortgagor's name during the four months immediately preceding the Effective Date.

(d) *Net Revenue and Cost Bearing Interest.* As of the Effective Date (or, in any case where this representation and warranty is made after the Effective Date, as of the date of the most recent Reserves Report or Reserves Updates provided in accordance with the Senior Facility Agreement prior to the date such representation and warranty is made), with respect to each well listed on Exhibit A hereto which comprises a part of the Collateral, the Mortgagor's ownership of such Collateral does and will, with respect to each such well (whether such well is presently unitized or is presently producing on a lease basis), after giving full effect to all Permitted Security (i) entitle the Mortgagor to receive (subject to the terms and conditions of this Mortgage) a decimal share of the Hydrocarbons produced from, or allocated to, such well not less than the decimal share set forth on Exhibit A in connection with such well under the column designated by the words "Net Revenue Interest", the abbreviation "NRI", or words or abbreviations of similar import, and (ii) cause the Mortgagor to be obligated to bear a decimal share of the cost of exploration, development, and operation of such well not greater than the decimal share set forth in Exhibit A in connection with such well under the column designated by the words "Operating Interest" or "Working Interest", the abbreviation "WI", or words or abbreviations of similar import (unless there is a corresponding increase in the Net Revenue Interest); provided, the shares of production which the Mortgagor is entitled to receive and the shares of expenses which the Mortgagor is obligated to bear are not, and will not be, subject to change, other than changes arising (i) pursuant to non-consent provisions of operating agreements in connection with operations proposed after the Effective Date, (ii) as expressly described on Exhibit A or (iii) as disclosed in the most recent Reserves Report or Reserves Updates provided in accordance with the Senior Facility Agreement.

Section 4.2 Covenants.

(a) *Waiver of Offset.*

(i) The Mortgagor waives any and all right to claim or recover against the Mortgagee, for loss of or damage to the Mortgagor, the Oil and Gas Properties, Mortgagor's Property or the Property of others under the Mortgagor's control from any cause insured against or required to be insured against by the provisions of this Mortgage.

(ii) All payments to be made by the Mortgagor hereunder shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim, and the obligations and liabilities of the Mortgagor hereunder shall in no way be released, discharged or otherwise affected (except as expressly provided herein) by reason of: (A) any damage to or destruction of or any condemnation or similar taking of the Collateral or any part thereof; (B) any restriction or prevention of or interference by any third party with any use of the Collateral or any part thereof; (C) any title defect or encumbrance or any eviction

from the Realty Collateral or any part thereof by title paramount or otherwise; (D) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to the Mortgagee or any guarantor of any secured obligation, or any action taken with respect to this Mortgage by any trustee or receiver of the Mortgagee, or by any court, in any such proceeding; (E) any claim which the Mortgagor has or might have against the Mortgagee; (F) any default or failure on the part of the Mortgagee to perform or comply with any of the terms hereof or of any other agreement with the Mortgagor; or (G) any other occurrence whatsoever, whether similar or dissimilar to the foregoing; whether or not Mortgagor shall have notice or knowledge of any of the foregoing.

(b) *Actions By Mortgagee to Preserve Collateral.* The Mortgagee may from time-to-time, at its sole option but at the Mortgagor's expense, perform any act which the Mortgagor agrees hereunder to perform and which the Mortgagor shall fail to perform after being requested in writing so to perform (it being understood that no such request need to be given on and after an Enforcement Date and after notice thereof by the Mortgagee to the Mortgagor). In connection therewith (without limiting its general powers, whether conferred herein, in any other Finance Document or by law), on and after an Enforcement Date, the Mortgagee shall have and is hereby given the right, but not the obligation, (i) to enter upon and take possession of the Collateral (to the extent not prohibited by applicable law); (ii) to make additions, alterations, repairs and improvements to the Collateral which it may consider necessary or proper to keep the Collateral in good condition and repair (to the extent not prohibited by applicable law); (iii) to appear and participate in any action or proceeding affecting or which may affect the security hereof or the rights or powers of the Mortgagee; (iv) to pay, purchase, contest or compromise any encumbrance, claim, charge, lien or debt which in the judgment of the Mortgagee may affect or appears to affect the security of this Mortgage or be prior or superior hereto; and (v) in exercising such powers, to pay necessary expenses, including attorneys' fees and costs and fees and costs for other necessary or desirable consultants (subject to Clause 18 (*Costs and Expenses*) of the Senior Facility Agreement). The Mortgagee shall provide notice to the Mortgagor of any action taken under this Section 4.2(b); *provided* the failure to provide such notice shall not be construed as a waiver of any rights of the Mortgagee provided under this Mortgage or applicable law. The Mortgagor shall, within ten (10) Business Days of demand, pay to the Mortgagee for its benefit or the benefit of any Receiver or Delegate, an amount equal to all respective costs and expenses incurred by such party in connection with the exercise of the foregoing rights, including, without limitation, costs of evidence of title, court costs, appraisals, surveys and receiver's, trustee's and attorneys' fees, together with interest thereon from the date of such expenditures at the Reimbursement Rate.

(c) *Mortgagee's Powers.* Without affecting the liability of any other person liable for the payment of any obligation herein mentioned, and without affecting the lien or charge of this Mortgage upon any portion of any Realty Collateral not then or theretofore released as security for the full amount of all unpaid obligations, the Mortgagee may, from time to time and without notice (i) release any person so liable, (ii) extend the maturity or alter any of the terms of any such obligation, (iii) grant other indulgences, (iv) release or reconvey, or cause to be released or reconveyed at any time at the Mortgagee's option any parcel, portion or all of the Collateral, (v) take or release any other or additional security from any person (other than the Mortgagor) for

any obligation herein mentioned, or (vi) make compositions or other arrangements with debtors in relation thereto.

Section 4.3 **Further Assurances.**

(a) Mortgagor covenants that Mortgagor shall execute and deliver such other and further instruments, and shall do such other and further acts as in the opinion of Mortgagee may be necessary or reasonably advisable to carry out more effectively the purposes of this Mortgage, including, without limiting the generality of the foregoing, (i) prompt correction of any defect in the execution or acknowledgement of this Mortgage, any written instrument comprising part or all of the Obligations, or any other document used in connection herewith; and (ii) prompt execution and delivery of any supplements, amendments or amendments and restatements to this Mortgage or of new mortgages required by the Senior Facility Agreement or any other Finance Document.

(b) Mortgagor covenants that Mortgagor shall maintain and preserve the security interest herein created as an Acceptable Security Interest, subject only to Permitted Security, until the Final Discharge Date.

(c) The Mortgagor shall pay all filing, registration and recording fees and all refiling, re-registration and re-recording fees, and all other expenses incident to the execution and acknowledgment of this Mortgage, any assurance, and all federal, state, parish and municipal stamp taxes and other taxes, duties, imports, assessments and charges arising out of or in connection with the execution and delivery of this Mortgage, any agreement supplemental hereto, any financing statements, and any instruments of further assurance.

(d) The Mortgagor shall promptly notify the Mortgagee of any change in the address of the Mortgagor's place of business or, if the Mortgagor has more than one place of business, the chief executive office of the Mortgagor and the office where the Mortgagor keeps its records concerning accounts, contract rights and general intangibles.

Section 4.4 **Operation of the Collateral.** Prior to the Final Discharge Date, the Mortgagor shall (in each case, at the Mortgagor's own expense): (a) neither abandon, forfeit, surrender, release, sell, assign, sublease, farmout or convey, nor agree to sell, assign, sublease, farmout or convey, nor mortgage or grant security interests in, nor otherwise dispose of or encumber the Collateral or any interest therein, except as not prohibited by the Senior Facility Agreement, and (b) subject to Section 4.6 hereof, maintain the Oil and Gas Properties in full force and effect and to obtain orders for suspensions of production and suspensions of operations to the extent necessary or reasonably advisable to maintain the Oil and Gas Properties.

Section 4.5 **Recording.** The Mortgagor hereby authorizes the Mortgagee to, at the Mortgagor's own expense, record, register, deposit and file this Mortgage and every other instrument in addition or supplement hereto, including applicable financing statements, in such offices and places within each state where the Collateral is located or, in the case of any Oil and Gas Property under the exclusive jurisdiction of the United States of America, each state situated adjacent to such Oil and Gas Property, and in the state where the Mortgagor is deemed located under the UCC, and at such times and as often as may be necessary to preserve, protect and renew

the Security herein created as an Acceptable Security Interest on real or personal property as the case may be, and otherwise shall do and perform all matters or things necessary or expedient to be done or observed by reason of any law or regulation for the purpose of effectively creating, perfecting, maintaining and preserving the Security created hereby in and on the Collateral.

Section 4.6 **Operation By Third Parties.** If any portion of the Collateral is comprised of interests which are not operated by the Mortgagor, then with respect to such Collateral, the Mortgagor's representations and covenants as expressed in this Article IV are modified to require that the Mortgagor use reasonable commercial efforts (in each case, at the Mortgagor's own expense) to obtain compliance with such covenants by the operator or operators of such Collateral.

ARTICLE 5

ENFORCEMENT OF THE SECURITY

Section 5.1 **Acceleration Upon Default.** (a) On and at any time after the occurrence of an Event of Default (other than an Event of Default arising pursuant to Clause 25.7 (*Insolvency*) of the Senior Facility Agreement), the Mortgagee may, or shall if so directed by the Majority Lenders in accordance with Clause 26.1 (*Acceleration*) of the Senior Facility Agreement, take any action set forth in Clause 26.1 (*Acceleration*) of the Senior Facility Agreement and (b) upon the occurrence of an Event of Default arising pursuant to Clause 25.7 (*Insolvency*) of the Senior Facility Agreement, all actions pursuant to Clause 26.2 (*Automatic Acceleration*) of the Senior Facility Agreement shall occur.

ARTICLE 6

RIGHTS TO REALTY COLLATERAL UPON OCCURRENCE OF AN ENFORCEMENT DATE.

Section 6.1 **Rights to Realty Collateral Upon Occurrence of an Enforcement Date.**

(a) *Operation of Property by Mortgagee.* On and from an Enforcement Date, subject to applicable law, and in addition to all other rights of the Mortgagee, the Mortgagee shall have the following rights and powers (but no obligation), to the extent not prohibited by the Senior Facility Agreement or applicable law:

(i) to enter upon and take possession of any of the Realty Collateral and exclude the Mortgagor therefrom;

(ii) to hold, use, administer, manage and operate the Realty Collateral to the extent that the Mortgagor could do so, and without any liability to the Mortgagor in connection with such operations; and

(iii) to the extent that the Mortgagor could do so, to collect, receive and receipt for all Hydrocarbons produced and sold from the Realty Collateral, to the extent applicable, to make repairs, to purchase machinery and equipment, to conduct workover operations, to drill additional wells, and to exercise every power, right and privilege of the Mortgagor with respect to the Realty Collateral.

The Mortgagee may designate any person to act on its behalf in exercising the foregoing rights and powers. Upon the occurrence of the Final Discharge Date, the Security in the Realty Collateral shall terminate and the Realty Collateral shall be returned to the Mortgagor (providing there has been no foreclosure sale). The Mortgagee in such case shall, and at the expense of the Mortgagor (including legal fees) reasonably incurred, deliver to the Mortgagor proper documents, certificates or instruments acknowledging satisfaction and reconveyance of this Mortgage, in each case, as prepared by the Mortgagor, without recourse to or representation or warranty by the Mortgagee. The Mortgagee shall not be responsible for any recording fees.

(b) *Judicial Proceedings.* On and from an Enforcement Date, subject to applicable law, the Mortgagee, in lieu of or in addition to exercising the power of sale hereafter given, may proceed by a suit or suits, in equity or at law (i) for the specific performance of any covenant or agreement herein contained or in aid of the execution of any power herein granted, (ii) for the appointment of a receiver whether there is then pending any foreclosure hereunder or the sale of the Realty Collateral, or (iii) for the enforcement of any other appropriate legal or equitable remedy; and further, in lieu of the non-judicial power of sale granted herein for Collateral located in the State of Louisiana (and any Collateral that is Oil and Gas Property that is under the exclusive jurisdiction of the United States of America where the State of Louisiana is the jurisdiction adjacent to such Oil and Gas Property) the Mortgagee may proceed by suit for a judicial sale of the Realty Collateral, including by way of executory process as contemplated by the provisions of Section 6.1(k) below.

(c) *Foreclosure by Private Power of Sale of Collateral.* On and from an Enforcement Date, to the extent not prohibited by applicable law, the Mortgagee shall have the right and power to sell, as the Mortgagee may elect, all or a portion of the Collateral at one or more sales as an entirety or in parcels, in accordance with and as permitted by any applicable state law. The Mortgagor hereby designates as the Mortgagor's address for the purpose of notice the address set out in Section 7.12; provided that the Mortgagor may by written notice to the Mortgagee designate a different address for notice purposes. Any purchaser or purchasers will be provided with a special warranty conveyance binding the Mortgagor and the Mortgagor's successors and assigns. Sale of a part of the Realty Collateral will not exhaust the power of sale, and sales may be made from time to time until all of the Realty Collateral is sold or the Final Discharge Date occurs. The Mortgagee will have the authority to appoint an attorney-in-fact to act as trustee in conducting the foreclosure sale and executing a deed to the purchaser or purchasers.

(d) *Certain Aspects of Sale.* On and from an Enforcement Date, subject to applicable law, the Mortgagee will have the right, at the direction of the Majority Lenders, to become the purchaser at any foreclosure sale and to credit all or any portion of the then outstanding balance of the Obligations (except such Obligations owed to the Agent or the Security Agent) in the same order as the order for the application of proceeds set forth in the Senior Facility Agreement against the amount payable by Mortgagee as purchaser at such sale. Statements of fact or other recitals contained in any conveyance to any purchaser or purchasers at any sale made hereunder will conclusively establish the occurrence of an Enforcement Date, any acceleration of the maturity of the Obligations, the advertisement and conduct of such sale in the manner provided herein, the appointment of any successor-Mortgagee hereunder and the truth and accuracy of all other matters stated therein. The Mortgagor does hereby ratify and confirm all legal acts that the Mortgagee may do in carrying out the Mortgagee's duties and obligations under this Mortgage,

and Mortgagor hereby irrevocably appoints the Mortgagee to be the attorney-in-fact of the Mortgagor and in the name and on behalf of the Mortgagor to execute and deliver any deeds, transfers, conveyances, assignments, assurances and notices which the Mortgagor ought to execute and deliver and do and perform any and all such acts and things which the Mortgagor ought to do and perform under the covenants herein contained and generally to use the name of the Mortgagor in the exercise of all or any of the powers hereby conferred on the Mortgagee. Upon any sale, whether under the power of sale hereby given or by virtue of judicial proceedings, it shall not be necessary for the Mortgagee or any public officer acting under execution or by order of court, to have physically present or constructively in his possession any of the Collateral, and the Mortgagor hereby agrees to deliver to the purchaser or purchasers at such sale on the date of sale the Collateral purchased by such purchasers at such sale and if it should be impossible or impracticable to make actual delivery of such Collateral, then the title and right of possession to such Collateral shall pass to the purchaser or purchasers at such sale as completely as if the same had been actually present and delivered.

(e) *Receipt to Purchaser.* Upon any sale made under the power of sale herein granted, the receipt of the Mortgagee will be sufficient discharge to the purchaser or purchasers at any sale for its purchase money, and such purchaser or purchasers will not, after paying such purchase money and receiving such receipt of the Mortgagee, be obligated to see to the application of such purchase money or be responsible for any loss, misapplication or non-application thereof.

(f) *Effect of Sale.* Any sale or sales of the Realty Collateral will operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Mortgagor in and to the Realty Collateral sold, and will be a perpetual bar, both at law and in equity, against the Mortgagor, the Mortgagor's successors or assigns, and against any and all persons claiming or who shall thereafter claim all or any of the Realty Collateral sold by, through or under the Mortgagor, or the Mortgagor's successors or assigns. Nevertheless, if requested by the Mortgagee so to do, the Mortgagor shall join in the execution and delivery of all proper conveyances, assignments and transfers of the Realty Collateral so sold. The purchaser or purchasers at the foreclosure sale will receive as incident to his, her, its or their own ownership, immediate possession of the Realty Collateral purchased and the Mortgagor agrees that if the Mortgagor retains possession of the Realty Collateral or any part thereof subsequent to such sale, the Mortgagor will be considered a tenant at sufferance of the purchaser or purchasers and will be subject to eviction and removal by any lawful means, with or without judicial intervention, and all damages by reason thereof are hereby expressly waived by the Mortgagor.

(g) *Application of Proceeds.* The proceeds of any sale of the Realty Collateral or any part thereof, whether under the power of sale herein granted and conferred or by virtue of judicial proceedings, shall be applied in the order set forth in the Senior Facility Agreement.

(h) *Mortgagor's Waiver of Appraisal and Marshalling.* The Mortgagor agrees, to the full extent that the Mortgagor may lawfully so agree, that the Mortgagor will not at any time insist upon or plead or in any manner whatever claim the benefit of any appraisal, valuation, stay, extension or redemption law, now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Mortgage, the absolute sale of the Collateral, including the Realty Collateral, or the possession thereof by any purchaser at any sale made pursuant to this Mortgage or pursuant to the decree of any court of competent jurisdiction; and the Mortgagor, for

the Mortgagor and all who may claim through or under the Mortgagor, hereby waives the benefit of all such laws and, to the extent that the Mortgagor may lawfully do so under any applicable law, any and all rights to have the Collateral, including the Realty Collateral, marshaled upon any foreclosure of the Security hereof or sold in inverse order of alienation. The Mortgagor agrees that the Mortgagee may sell the Collateral, including the Realty Collateral, in part, in parcels or as an entirety as directed by the Mortgagee.

(i) *Applicable Law.* If any law referred to herein and now in force, of which the Mortgagor or its successor or successors might take advantage despite the provisions hereof, shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the operation or application of the provisions hereof. The rights and remedies of the Mortgagee provided by this Section 6.1 are limited to extent provided by applicable law.

(j) *Other Waivers.* The Mortgagee may resort to any Security given by this Mortgage or to any other Security now existing or hereafter given to secure the payment of any of the Obligations secured hereby, in whole or in part, and in such portions and in such order as may seem best to the Mortgagee in its sole and absolute discretion, and any such action shall not in any manner be considered as a waiver of any of the rights, benefits or Transaction Security created by this Mortgage.

(k) *Executory Process.*

(i) The Mortgagor for itself, its successors and assigns does by these presents agree and stipulate that, on and after an Enforcement Date, it shall be lawful for and the Mortgagor does hereby authorize the Mortgagee without making a demand or putting in default, putting in default being expressly waived, to cause all and singular the Collateral to be seized and sold by executory or other legal process without appraisalment (appraisalment being hereby expressly waived) either in its entirety or in lots, or parcels as the Mortgagee may determine to the highest bidder for cash or on such terms as the Mortgagee may direct, the Mortgagor for itself, its successors and assigns hereby confessing judgment for the full amount of the Obligations secured and to be secured hereby, whether now existing or arising hereafter.

(ii) The Mortgagor hereby expressly waives: (a) the benefit of appraisalment as provided in Louisiana Code of Civil Procedure Articles 2332, 2336, 2723 and 2724, and all other laws conferring the same; (b) the notice of seizure as provided under Articles 2293 and 2721 of the Louisiana Code of Civil Procedure; (c) the three days' delay provided by Louisiana Code of Civil Procedure Articles 2331; and (d) the benefit of the other provisions of Louisiana Code of Civil Procedure Articles 2331, 2721, 2722 and 2723, not specifically mentioned above.

Section 6.2 **Rights to Personalty Collateral Upon an Enforcement Date.** On and from an Enforcement Date, subject to applicable law, the Mortgagee may proceed against the Personalty Collateral in accordance with the rights and remedies granted herein with respect to the Realty Collateral, or will have all rights and remedies granted by the UCC (La. Rev. Stat. 10:9-

101 et seq) as amended, modified or succeeded, and under all other applicable laws of Louisiana and this Mortgage. The Mortgagee shall have the right to take possession of the Personalty Collateral, and for this purpose the Mortgagee may enter upon any premises on which any or all of the Personalty Collateral is situated and, to the extent that the Mortgagor could do so, take possession of and operate the Personalty Collateral or remove it therefrom. The Mortgagee may require the Mortgagor to assemble the Personalty Collateral and make it available to the Mortgagee at a place to be designated by the Mortgagee which is reasonably convenient to both parties. Unless the Personalty Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Mortgagee will send the Mortgagor reasonable notice of the time and place of any public sale or of the time after which any private sale or other disposition of the Personalty Collateral is to be made. This requirement of sending reasonable notice will be met if such notice is mailed after default, postage prepaid, to the Mortgagor at the address designated in Section 7.12 hereof (or such other address as has been designated as provided herein) at least ten (10) calendar days before the earliest time of the sale or disposition set forth in the notice. In addition to the expenses of retaking, holding, preparing for sale, selling and the like, the Mortgagee will be entitled to recover attorney's fees and legal expenses as provided for in this Mortgage and in the writings evidencing the Obligations before applying the balance of the proceeds from the sale or other disposition toward satisfaction of the Obligations. The Mortgagor will remain liable for any deficiency remaining after the sale or other disposition in accordance with applicable law. The Mortgagor hereby consents and agrees that any disposition of all or a part of the Collateral may be made without warranty of any kind whether expressed or implied. The rights and remedies of the Mortgagee provided by this Section 6.2 are limited to extent provided by applicable law.

Section 6.3 Rights to Fixture Collateral Upon an Enforcement Date. On and from an Enforcement Date, subject to applicable law, the Mortgagee may elect to treat the Fixture Collateral as either Realty Collateral or as Personalty Collateral and proceed to exercise such rights as apply to the type of Collateral selected.

Section 6.4 Other Rights. In addition to the rights as described in Sections 6.1, 6.2 and 6.3, on and from an Enforcement Date, Mortgagee may take such other action, without notice or demand, as it deems advisable to protect and enforce its rights against the Mortgagor and in and to the Collateral, including the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as the Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of the Mortgagee: (a) institute proceedings for the complete foreclosure of this Mortgage in which case the Collateral or any part thereof may be sold for cash or upon credit in one or more portions; (b) to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Mortgage for the portion of the Obligations then due and payable, subject to the continuing Security of this Mortgage for the balance of the Obligations not then due; (c) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained in this Mortgage; (d) apply for the appointment of a trustee, receiver, liquidator or conservator of the Collateral, without regard for the adequacy of the security for the Obligations and without regard for the solvency of the Mortgagor or of any person liable for the payment of the Obligations; or (e) pursue such other remedies as the Mortgagee may have under applicable law. The rights and remedies of the Mortgagee provided by this Section 6.4 are limited to the extent provided by applicable law.

Section 6.5 **Keeper.** In the event the Collateral, or any part thereof, is seized as an incident to an action for the recognition or enforcement of this Mortgage by executory process, ordinary process, sequestration, writ of fieri facias or otherwise, the Mortgagor and the Mortgagee agree that the court issuing any such order shall, if petitioned for by the Mortgagee, direct the applicable sheriff to appoint as a keeper of the Collateral, the Mortgagee or any agent designated by the Mortgagee or any person named by the Mortgagee at the time such seizure is effected. This designation is pursuant to, as applicable, Louisiana Revised Statutes 9:5131-5135, inclusive, or Louisiana Revised Statutes 9:5136-5140.2, inclusive, in both cases as the same may be amended, and the Mortgagee shall be entitled to all the rights and benefits afforded thereunder. It is hereby agreed that the keeper shall be entitled to receive as compensation, in excess of its costs and expenses necessarily incurred in the course of administration or preservation of the Collateral, an amount equal to five (5%) percent of the gross revenues of the Collateral, which shall be included as Obligations secured by this Mortgage. The designation of keeper made herein shall not be deemed to require the Mortgagee to provoke the appointment of such a keeper. The rights and remedies of the Mortgagee provided by this Section 6.5 are limited to the extent provided by applicable law.

Section 6.6 **Account Debtors.** The Mortgagee may, in its discretion, on and from an Enforcement Date, subject to applicable law, (a) notify any account debtor on any accounts constituting Collateral to make payments directly to the Mortgagee, (b) instruct any party described in Section 3.1(b) to deliver all Hydrocarbons assigned to the Mortgagee as described in Section 3.1(a) and all proceeds therefrom directly to the Mortgagee, and (c) contact such account debtors and other parties directly to verify information furnished by the Mortgagor with respect to such account debtors and such accounts. The Mortgagee shall not have any obligation to preserve any rights against prior parties.

Section 6.7 **Costs and Expenses.** The Mortgagor agrees that this Mortgage and its contents are subject to the provisions set forth in Clauses 10 (*Interest*), 18 (*Costs and Expenses*) and 37 (*Set-off*) of the Senior Facility Agreement, and all such provisions are hereby incorporated herein by reference, *mutatis mutandis*, and made applicable to this Mortgage as if set forth in full herein.

ARTICLE 7

MISCELLANEOUS

Section 7.1 **Advances by Mortgagee.** Each and every covenant of the Mortgagor herein contained shall be performed and kept by the Mortgagor solely at the Mortgagor's expense. If the Mortgagor fails to perform or keep any of the covenants of whatsoever kind or nature contained in this Mortgage, the Mortgagee (either by it directly or any receiver appointed hereunder) may, but will not be obligated to, make advances to perform the same on the Mortgagor's behalf, and the Mortgagor hereby agrees to repay such sums and any attorney's fees incurred in connection therewith on demand plus interest thereon from the date of the advance until reimbursement of the Mortgagee at the Reimbursement Rate. In addition, the Mortgagor hereby agrees to repay on demand any costs, expenses and attorney's fees incurred by the Mortgagee which are to be obligations of the Mortgagor pursuant to, or allowed by, the terms of this Mortgage, including, without limitation, such costs, expenses and attorney's fees incurred pursuant to Section 3.1(h), Section 6.7 or Section 7.2 hereof, plus interest thereon from the date of

the advance by the Mortgagee until reimbursement of the Mortgagee at the Reimbursement Rate. Such amounts will be in addition to any sum of money which may, pursuant to the terms and conditions of the written instruments comprising part of the Obligations, be due and owing. No such advance will be deemed to relieve the Mortgagor from any default hereunder.

Section 7.2 **Defeasance or Release.**

(a) Upon the Final Discharge Date, all of the Collateral will revert to the Mortgagor to the extent not otherwise transferred or sold as permitted under applicable legal requirements or under this Mortgage and the entire estate, right, title and interest of the Mortgagee will thereupon cease; and Mortgagee in such case shall, and at the expense of the Mortgagor (including legal fees) reasonably incurred, deliver to the Mortgagor proper documents, certificates or instruments acknowledging satisfaction and reconveyance of this Mortgage, in each case, as prepared by the Mortgagor, without recourse to or representation or warranty by the Mortgagee. The Mortgagee shall not be responsible for any recording fees.

(b) Upon any sale or other transfer by the Mortgagor of any Collateral that is not prohibited by the Senior Facility Agreement, the Security in such Collateral shall be automatically released, without delivery of any instrument or performance of any act by Mortgagee or any other party. In connection with any release pursuant to this paragraph (b), Mortgagee shall, at the expense of the Mortgagor (including legal fees) reasonably incurred, execute and deliver to the Mortgagor proper documents, certificates and instruments as the Mortgagee may reasonably request to evidence such release, in each case, as prepared by the Mortgagor, without recourse to or representation or warranty by the Mortgagee. The Mortgagee shall not be responsible for any recording fees.

Section 7.3 **Renewals, Amendments and Other Security.** On and after an Enforcement Date, without notice or consent of the Mortgagor, renewals and extensions of the written instruments constituting part or all of the Obligations may be given at any time and amendments may be made to agreements relating to any part of such written instruments or the Collateral in accordance with their terms. To the extent not prohibited by applicable law, the Mortgagee may take or hold other Security for the Obligations without notice to or consent of the Mortgagor. The acceptance of this Mortgage by the Mortgagee shall not waive or impair any other security the Mortgagee may have or hereafter acquire to secure the payment of the Obligations nor shall the taking of any such additional Security waive or impair the Transaction Security and security interests herein granted. The Mortgagee may resort first to such other Security or any part thereof, or first to the Security herein given or any part thereof, or from time to time to either or both, even to the partial or complete abandonment of either Security, and such action will not be a waiver of any rights conferred by this Mortgage. This Mortgage may not be amended, waived or modified except in a written instrument executed by both the Mortgagor and the Mortgagee. The provisions of this Section 7.3 are granted to the extent permissible by applicable law.

Section 7.4 **Mortgage, Security Agreement, Financing Statement Covering As-Extracted Collateral and Fixture Filing.** This Mortgage will be deemed to be and may be enforced from time to time as an assignment, contract, financing statement, real estate mortgage, pledge or security agreement, and from time to time as any one or more thereof if appropriate under applicable state law. As a financing statement and as a fixture filing with respect to fixture

collateral, when this Mortgage is attached to a financing statement and subject to Subsection (4) of Section 9-301 of the UCC (LA. Rev. Stat 10:9-301(4)), as amended, modified or succeeded, this Mortgage is intended to cover all Personalty Collateral including, but not limited to, the Mortgagor's interest in all Collateral, all Hydrocarbons as and after they are extracted, all As-Extracted Collateral, and all accounts arising from the sale thereof at the wellhead. This Mortgage when attached to a financing statement shall be effective as a financing statement filed as a fixture filing with respect to Fixture Collateral included within the Collateral. This Mortgage shall be filed in the mortgage records of each parish in the state in which any part of the Realty Collateral is located or any parish adjacent to the Outer Continental Shelf where any such Realty Collateral is located. At the Mortgagee's request, the Mortgagor shall deliver financing statements covering the Personalty Collateral, including all Hydrocarbons sold at the wellhead, and Fixture Collateral, which financing statements may be filed in the UCC records or other appropriate office of the parish or state in which any of the Collateral is located or in any other location permitted or required to perfect the Mortgagee's security interest under the UCC. In addition, the Mortgagor hereby irrevocably authorizes the Mortgagee (without obligation) and any affiliate, employee or agent thereof, at any time and from time to time, to file in any UCC jurisdiction any financing statement or document and amendments thereto, without the signature of the Mortgagor where permitted by law, in order to perfect or maintain the perfection of any security interest granted under this Mortgage and the Mortgagee agrees to promptly provide to the Mortgagor a copy of any such filing. A photographic or other reproduction of this Mortgage shall be sufficient as a financing statement.

Section 7.5 **Unenforceable or Inapplicable Provisions.** If any term, covenant, condition or provision hereof is invalid, illegal or unenforceable in any respect, the other provisions hereof will remain in full force and effect and will be liberally construed in favor of the Mortgagee in order to carry out the provisions hereof.

Section 7.6 **Rights Cumulative.** Each and every right, power and remedy herein given to the Mortgagee will be cumulative and not exclusive, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Mortgagee and the exercise, or the beginning of the exercise, of any such right, power or remedy will not be deemed a waiver of the right to exercise, at the same time or thereafter, any other right, power or remedy. No delay or omission by the Mortgagee in the exercise of any right, power or remedy will impair any such right, power or remedy or operate as a waiver thereof or of any other right, power or remedy then or thereafter existing.

Section 7.7 **Waiver by Mortgagee.** Any and all covenants in this Mortgage may from time to time by instrument in writing by Mortgagee (acting upon the direction of the Majority Lenders), be waived to such extent and in such manner as the Mortgagee may desire, but no such waiver will ever affect or impair the Mortgagee's rights hereunder, except to the extent specifically stated in such written instrument.

Section 7.8 **Terms.** The term "Mortgagor" as used in this Mortgage will be construed as singular or plural to correspond with the number of persons executing this Mortgage as Mortgagor. If more than one person executes this Mortgage as Mortgagor, his, her, its, or their duties and liabilities under this Mortgage will be joint and several. The terms "Mortgagee" and

"Mortgagor" as used in this Mortgage include the heirs, executors or administrators, successors, representatives, receiver, trustees and assigns of those parties. Unless the context otherwise requires, terms used in this Mortgage which are defined in the UCC are used with the meanings therein defined.

Section 7.9 **Counterparts.** This Mortgage may be executed in any number of counterparts, each of which will for all purposes be deemed to be an original, and all of which are identical except that, to facilitate recordation, in any particular parishes counterpart portions of Exhibit A hereto which describe Properties situated in parishes other than the parishes in which such counterpart is to be recorded may have been omitted.

Section 7.10 **Indemnification.** **MORTGAGOR AGREES THAT THIS MORTGAGE AND ITS CONTENTS ARE SUBJECT TO THE PROVISIONS OF CLAUSE 30.11 (OBLIGORS' INDEMNITY TO THE SECURITY AGENT) OF THE SENIOR FACILITY AGREEMENT AND ALL SUCH PROVISIONS ARE HEREBY INCORPORATED HEREIN, *MUTATIS MUTANDIS*, BY REFERENCE AND MADE APPLICABLE TO THIS MORTGAGE AS IF SET FORTH IN FULL HEREIN.**

Section 7.11 **Governing Law.** This Mortgage shall be governed by and construed in accordance with the laws of the State of Louisiana and applicable United States of America federal law.

Section 7.14 **Insurance Proceeds.** Pursuant to La. R.S. 9:5386, the Mortgagor hereby agrees and irrevocably pledges to the Mortgagee, for its benefit and the benefit of the other Secured Parties, and its successors and assigns, for the purpose of securing the Obligations, but subject to the Finance Documents, the Mortgagor's rights under policies of insurance covering any Collateral, including the right to receive any proceeds attributable to insurance loss of such Property.

Section 7.15 **No Paraphed Notes.** The Mortgagor acknowledges that no promissory note or other instrument has been presented to the undersigned notary public(s) to be paraphed for identification herewith.

Section 7.16 **Successors and Assigns.**

(a) This Mortgage is binding upon the Mortgagor and the Mortgagor's successors and assigns, and shall inure to the benefit of each Secured Party and each of its successors and assigns (to the extent such successors and assigns constitute Secured Parties), and the provisions hereof shall likewise be covenants running with the land.

(b) Subject to clause (d) below, this Mortgage shall be transferable, with the same force and effect and to the same extent as the Obligations may be transferable, it being understood that, upon the legal transfer or assignment by the Mortgagee or the other Secured Parties (or any of them) of any of the Obligations, the legal holder of such Obligations shall have all of the rights granted to the Mortgagee for the benefit of the Secured Parties under this Mortgage or such other transferor Secured Party, respectively. To the extent permitted by applicable law, the Mortgagor specifically agrees that upon any transfer of all or any portion of the Obligations, this Mortgage shall secure with retroactive rank the existing Obligations of the Mortgagor to the transferee and any and all Obligations to such transferee thereafter arising.

(c) Mortgagor hereby recognizes and agrees that the Secured Parties (or any of them) may, from time to time, one or more times, transfer all or any portion of the Obligations to one or more third parties. Such transfers may include, but are not limited to, sales of participation interests in such Obligations in favor of one or more third parties. To the extent permitted by applicable law, upon any transfer of all or any portion of the Obligations and subject to clause (d) below, the Mortgagee may transfer and deliver any and/or all of its rights in the Collateral to the transferee of such Obligations and such Collateral shall secure any and all of the Obligations in favor of such transferee then existing and thereafter arising, and after any such transfer by the Mortgagee has taken place, the Mortgagee shall be fully discharged from any and all future liability and responsibility to the Mortgagor with respect to such Collateral, and such transferee shall thereafter be vested with all the powers, rights and duties with respect to such Collateral.

(d) Notwithstanding anything to the contrary contained herein, including the provisions of clauses (b) and (c) above, when any Hedge Counterparty assigns or otherwise transfers any interest held by it under any Secured Hedging Agreement to any other person

pursuant to the terms of such agreement, that other person shall thereupon become vested with all the benefits held by such Hedge Counterparty as a Secured Party under this Mortgage only if such person is also then a Lender or an Affiliate of a Lender and otherwise meets the requirements set forth in the definition of "Hedge Counterparty" in the Senior Facility Agreement.

Section 7.17 **Article and Section Headings.** The article and section headings in this Mortgage are inserted for convenience of reference and shall not be considered a part of this Mortgage or used in its interpretation.

Section 7.18 **Usury Not Intended.** It is the intent of the Mortgagor and the Mortgagee in the execution and performance of this Mortgage, the Senior Facility Agreement and the other Finance Documents to contract in strict compliance with applicable usury laws governing the Obligations including such applicable usury laws of the State of Louisiana, the State of New York and the United States of America as are from time-to-time in effect. In furtherance thereof, the Mortgagee and the Mortgagor stipulate and agree that none of the terms and provisions contained in this Mortgage, the Senior Facility Agreement or the other Finance Documents shall ever be construed to create a contract to pay, as consideration for the use, forbearance or detention of money, interest at a rate in excess of the maximum non-usurious rate permitted by applicable law and that for purposes hereof "interest" shall include the aggregate of all charges which constitute interest under such laws that are contracted for, charged or received under this Mortgage, the Senior Facility Agreement and the other Finance Documents; and in the event that, notwithstanding the foregoing, under any circumstances the aggregate amounts taken, reserved, charged, received or paid on the Obligations, include amounts which by applicable law are deemed interest which would exceed the maximum non-usurious rate permitted by applicable law, then such excess shall be deemed to be a mistake and the Mortgagee shall credit the same on the principal of the Obligations (or if the Obligations shall have been paid in full, refund said excess to the Mortgagor). In the event that the maturity of the Obligations is accelerated by reason of any election of the Mortgagee resulting from an Event of Default, or in the event of any required or permitted prepayment, then such consideration that constitutes interest may never include more than the maximum non-usurious rate permitted by applicable law and excess interest, if any, provided for in this Mortgage, the Senior Facility Agreement or other Finance Documents shall be canceled automatically as of the date of such acceleration and prepayment and, if theretofore paid, shall be credited on the Obligations or, if the Obligations shall have been paid in full, refunded to Mortgagor. In determining whether or not the interest paid or payable under any specific contingencies exceeds the maximum non-usurious rate permitted by applicable law, Mortgagor and Mortgagee shall to the maximum extent permitted under applicable law amortize, prorate, allocate and spread in equal part during the period of the full stated term of the Obligations, all amounts considered to be interest under applicable law of any kind contracted for, charged, received or reserved in connection with the Obligations.

Section 7.19 **Defense of Claims.** The Mortgagor shall promptly notify the Mortgagee in writing of the commencement of any legal proceedings affecting the Mortgagor's title to the Collateral or the Mortgagee's Security in the Collateral, or any part thereof, and shall take such action as may be necessary to preserve the Mortgagor's and the Mortgagee's rights affected thereby. If the Mortgagor fails or refuses to adequately or vigorously, in the sole judgment of the Mortgagee, defend the Mortgagor's or the Mortgagee's rights to the Collateral, the Mortgagee may, but shall not be obligated to, take such action on behalf of and in the name of the Mortgagor and

at the Mortgagor's expense. Moreover, the Mortgagee may take such independent action in connection therewith as it may, in its sole discretion, deem proper, including, without limitation, the right to employ independent counsel and to intervene in any suit affecting the Collateral. All out-of-pocket costs, expenses and attorneys' fees incurred by the Mortgagee pursuant to this Section 7.19 or in connection with the defense by the Mortgagee of any claims, demands or litigation relating to the Mortgagor, the Collateral or the transactions contemplated in this Mortgage shall be paid by the Mortgagor on demand plus interest thereon from the date of the advance by the Mortgagee until reimbursement of the Mortgagee, respectively, at the Reimbursement Rate.

Section 7.20 **Conflicts.** To the fullest extent possible, the terms and provisions of the Senior Facility Agreement shall be read together with the terms and provisions of this Mortgage so that the terms and provisions of this Mortgage do not conflict with the terms and provisions of the Senior Facility Agreement; provided, however, notwithstanding the foregoing, in the event that any of the terms or provisions of this Mortgage conflict with any terms or provisions of the Senior Facility Agreement, the terms or provisions of the Senior Facility Agreement, as applicable, shall govern and control for all purposes; provided that the inclusion in this Mortgage of terms and provisions, supplemental rights or remedies in favor of the Mortgagee not addressed in the Senior Facility Agreement shall not be deemed to be a conflict with the Senior Facility Agreement and all such additional terms, provisions, supplemental rights or remedies contained herein shall be given full force and effect; and provided further that nothing contained in this Section 7.20 shall diminish or preclude the granting of the mortgages, pledges, hypothecations, collateral assignments and security interests in this Mortgage, limit the ability of the Mortgagee to enforce this Mortgage by ordinary or executory process, or otherwise, or detract from the provisions of Section 7.24 hereof.

Section 7.21 **No Offsets, Etc.** The Mortgagor hereby represents, warrants, and covenants to Mortgagee that there are no offsets, counterclaims or defenses at law or in equity against this Mortgage or the indebtedness secured hereby.

Section 7.22 **Bankruptcy Limitation.** Notwithstanding anything contained herein to the contrary, it is the intention of the Mortgagor, the Mortgagee and the other Secured Parties that the amount of the Obligations secured by the Mortgagor's interests in any of its Property shall be in, but not in excess of, the maximum amount permitted by fraudulent conveyance, fraudulent transfer and other similar law, rule or regulation of any Governmental Authority applicable to the Mortgagor. Accordingly, notwithstanding anything to the contrary contained in this Mortgage in any other agreement or instrument executed in connection with the payment of any of the Obligations, the amount of the Obligations secured by the Mortgagor's interests in any of its Property pursuant to this Mortgage shall be limited to an aggregate amount equal to the largest amount that would not render the Mortgagor's obligations hereunder or the Transaction Security granted to the Mortgagee hereunder subject to avoidance under Section 548 of the United States Bankruptcy Code or any comparable provision of any other applicable law.

Section 7.23 **Certain Louisiana References.** Each reference to a "lien" will include a reference to a "privilege", "mortgage", "collateral assignment", "pledge", and/or "security interest", as appropriate. Each reference to an "easement" or "easements" will include a reference to a "servitude" and "servitudes". Each reference to a county will include a reference to a Louisiana

parish. The terms "real property", and "real estate" will mean "immovable property" as that term is used in the Louisiana Civil Code. The terms "personal property" and "Personalty Collateral" will mean "movable property" as that term is used in the Louisiana Civil Code. The term "intangible" will mean "incorporeal" as that term is used in the Louisiana Civil Code. Reference to "receiver" shall be deemed to be a keeper appointed by the Mortgagee as provided herein. The term "fixtures" will include "component parts". The term "fee estate" or "fee simple title" will mean "full ownership interest" as that term is used in the Louisiana Civil Code. The term "condemnation" will include "expropriation" as that term is used in Louisiana law. The term "joint and several" will include "solidary" as that term is used in the Louisiana Civil Code.

Section 7.24 **Acceptance by Mortgagee.** In accordance with the provisions of Louisiana Civil Code Article 3289, the Mortgagee has accepted the benefits of the Mortgage without the necessity of execution by the Mortgagee. Notwithstanding any reference herein to the Senior Facility Agreement, all persons dealing with the Collateral shall be entitled to rely on any document or certificate of the Mortgagee as to the occurrence of an event, such as an Event of Default or an Enforcement Date, and shall not be charged with or forced to review any provision of any other document to determine the accuracy thereof.

Section 7.25 **Notary Public.** The parties relieve and release the undersigned notary public of any duty to produce and attach mortgage or conveyance certificates.

Section 7.26 **Reinscription.** As long as any Obligations remain outstanding, the Mortgagee may, to the extent it deems necessary, prepare and file or record, a notice of reinscription to cause this Mortgage to be reinscribed in the manner provided pursuant to Louisiana law. In furtherance of the foregoing, the Mortgagor hereby irrevocably appoints the Mortgagee as its lawful attorney-in-fact for the specific purpose of reinscribing this Mortgage from time to time in the public records of each parish in the State of Louisiana in which the Realty Collateral (or any portion thereof) is located or, with respect to any Realty Collateral located within the Outer Continental Shelf or other offshore area over which the United States of America asserts jurisdiction and to which the laws of the State of Louisiana are applicable thereto, each parish adjacent to any such offshore area, all at the expense of the Mortgagor (including legal fees) reasonably incurred in connection therewith; nothing, however, shall require the Mortgagee to reinscribe this Mortgage and the failure of the Mortgagee to reinscribe shall not be grounds for any cause of action either by the Mortgagor or by any subsequent holder(s) of the Obligations, or any part thereof.

Section 7.27 **Authentic Evidence.** Any and all declarations of fact made by authentic act before a notary public in the presence of two witnesses by any person or persons declaring that such facts lie within his or her knowledge shall constitute authentic evidence of such facts for purposes of executory process and also for purposes of Louisiana Revised Statutes 9:3509.1, Louisiana Revised Statutes 9:3504(D)(6) and Louisiana Revised Statutes 10:9-629, where applicable.

Section 7.28 **Mortgagee.** In entering into this Mortgage, the Mortgagee shall be entitled to the benefit of every provision of the Senior Facility Agreement and the other Finance

Documents relating to the Security Agent, including, without limitation, the provisions relating to the rights, protections, powers, indemnities, immunities, duties, exculpation or conduct of, affecting the liability of or otherwise affording protection to the Security Agent thereunder. Without limiting the generality of the foregoing and notwithstanding anything contained herein to the contrary, nothing contained in this Mortgage shall require the Mortgagee to exercise any discretionary acts, and any provision of this Mortgage that authorize or permit the Mortgagee to approve, consent to, disapprove, request, determine, waive, act or decline to act, in its discretion, shall be subject to the Mortgagee receiving instructions from the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly required under the Senior Facility Agreement or the other Finance Documents) to take such action or exercise such rights; *provided, however*, nothing contained in this Section 7.28 shall diminish or preclude the granting of the mortgages, pledges, and security interests in this Mortgage or limit the ability of Mortgagee to enforce this Mortgage by ordinary or executory process. Any exercise of discretion on behalf of the Security Agent shall be exercised in accordance with the terms of the Senior Facility Agreement. Notwithstanding anything herein to the contrary, the Security Agent shall not have any responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the perfection or maintenance of any security interest created hereunder.

THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES.

Exhibit A

The designation "Working Interest" or "WI" or "GWI" when used in this Exhibit means an interest owned in an oil, gas, and mineral lease that determines the cost-bearing percentage of the owner of such interest. The designation "Net Revenue Interest" or "NRI" or "NRIO" or "NRIG" means that portion of the production attributable to the owner of a working interest after deduction for all royalty burdens, overriding royalty burdens or other burdens on production, except severance, production, and other similar taxes. The designation "Overriding Royalty Interest" "ORRI" means an interest in production which is free of any obligation for the expense of exploration, development, and production, bearing only its pro rata share of severance, production, and other similar taxes and, in instances where the document creating the overriding royalty interest so provides, costs associated with compression, dehydration, other treating or processing, or transportation of production of oil, gas, or other minerals relating to the marketing of such production.
