## 2. CONVEYANCE

2.1 For valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby GRANTS, BARGAINS, SELLS, CONVEYS, ASSIGNS, SETS OVER AND DELIVERS unto Assignee, effective as of the Execution Date, an overriding royalty interest in and to each of the Leases equal to ten percent (10%) of Assignor’s right, title and interest in and to all oil, gas and other hydrocarbons produced from, and only from Assignor’s interest in the Leases as of the Execution Date, free and clear of all liens, charges, and encumbrances (“ORRI”).

2.2 Such ORRI shall be payable beginning on each Commencement Date until each Suspension Date (the “**Term**”).

2.3 TO HAVE AND TO HOLD the ORRI unto Assignee, its successors and assigns for the Term(s), subject to the following terms, provisions and conditions:

Assignor shall warrant and defend the title to the ORRI unto Assignee against all claims arising by, through and under said Assignor, but not otherwise, and is accepted without any other warranty of title, express, statutory or implied. Assignee shall have the right of full substitution and subrogation in and to any and all rights and actions of warranty which Assignor may have against any and all preceding owners or vendors of the Leases. The Conveyance is also subject to the following terms and provisions, to wit:

- (1) The ORRI shall be calculated and paid to Assignee at the same time and in the same manner as the lessor’s royalty under the Lease, free and clear of all
  - (1) liens, charges, and encumbrances placed there on by Assignor,
  - (2) all royalties and lessor’s royalties (which shall be borne and paid by Assignor), and
  - (3) all costs, expenses, and liabilities of exploring, drilling, equipping, testing, operating, developing, maintaining or abandoning the Leases, any well or facility thereon.
  - (4) all costs, expenses, and liabilities of transporting the production to the Delivery Point, and
  - (5) all costs, expenses, and liabilities of producing, dehydrating, compressing, treating, or marketing the production (whether on the applicable Lease or the applicable production facility or otherwise) to the first purchaser, all

of which royalties, costs, expenses and liabilities shall be borne and paid for by Assignor.

- (2) The ORRI shall be calculated and paid on the basis of the proceeds received from the first sale of oil production to a purchaser in an arms-length transaction; provided, however, that if the first sale of production is made pursuant to other than an arms-length transaction, then the ORRI shall be calculated and paid on the basis of the greater of
  - (1) the proceeds received from such sale, or
  - (2) with respect to oil, the most relevant crude oil price or relevant hydrocarbon price as posted on Argus media publication. For the avoidance of doubt, any agreement for the sale of oil or relevant hydrocarbon between Assignor or any affiliate of Assignee shall be considered an arms-length transaction for the purpose of this Conveyance.
- (3) Assignor reserves the right, in its sole judgment, to pool, unitize, or combine the applicable Leases and ORRI with any other interests through one or more voluntary units, or into units established by governmental authorities having jurisdiction. For purposes of determining production allocable to the ORRI conveyed, there shall be allocated to the ORRI included in a pool or unit the portion of the oil, gas and other minerals produced from the pool or unit that is pro-rata to the production from the pool or unit that is allocated to the Lease under the pooling or unit agreement covering the Lease. It is agreed that Assignee shall receive, and will accept, on production from a pool or unit so pooled or unitized, only such proportion of the ORRI hereinabove specified as is allocated to the Lease to which the ORRI applies.
- (4) For the avoidance of doubt, in the event the Lease is included in a federal oil and gas unit approved by the Bureau of Ocean Energy Management and/or Bureau of Safety and Environmental Enforcement (or any successor agencies) to include additional acreage outside of the Lease, or should a subsequent joint participation area or similar third party production sharing arrangement be created that includes all or an allocated portion of the Lease in conjunction with other adjacent acreage, then the ORRI shall apply to such joint participation area or production sharing arrangement insofar as the Lease's proportionate interest in such unit, area or arrangement.
- (5) This Conveyance shall inure to the benefit of and be binding upon the Parties and their respective successors, legal representatives, and assigns. Each reference herein to "Assignor" shall, when appropriate, include the successors, assigns, and legal representatives of Assignor as the owners of said Lease or any interest therein and, likewise, each reference herein to "Assignee" shall, when appropriate, include the successors, assigns, and legal representatives of Assignee as the owners of the ORRI.

- (6) The ORRI shall apply to every extension, renewal or modification of the Lease, or any portion thereof, taken by Assignor or its successors, assigns, agents or employees, and to any new lease taken by Assignor on the lands, or any portion of the lands, covered by the Lease within one year of the expiration, termination or surrender of any Lease.
- (7) THIS CONVEYANCE SHALL BE GOVERNED BY AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS, EXCLUDING THE PRINCIPLES OF CONFLICT OF LAWS THEREOF THAT WOULD CAUSE THE LAWS OF ANOTHER JURISDICTION TO APPLY.
- (8) This Conveyance is intended by Assignor and Assignee to be a conveyance of a real right and/or of an immovable pursuant to Louisiana law. In addition, this Conveyance constitutes a “production payment” as defined in Title 11 of the United States Code, as amended. This Conveyance does not include any ownership in and to any fixtures, structures, equipment, or other tangible property now or hereafter placed on the Lease, and Assignee shall not be responsible for any plugging and abandonment or related decommissioning obligations or liabilities associated therewith.
- (9) Assignee, at any time after the first Commencement Date and upon notice in writing to Assignor, shall have the right to audit relevant portions of Assignor’s accounts and records relating to the assigned ORRI volume, pricing, and deductions under the terms of this Conveyance within the twenty-four (24) month period following the end of any calendar year in which the ORRI was payable in accordance with the terms of this Conveyance. Assignee shall make every reasonable effort to conduct the audit in a manner which will result in a minimum of inconvenience to Assignor. Assignor shall bear no portion of the audit cost incurred unless specifically agreed to prior to the audit. Audits conducted by the Assignee shall not be conducted more than once each calendar year without the prior approval of Assignor.
- (10) During any period in which the ORRI is payable, Assignor shall provide to Assignee monthly marketing and production reports, and such other information reasonably requested by Assignee.
- (11) Any controversy or claim, whether based on contract, tort, statute or other legal or equitable theory (including but not limited to any claim of fraud, misrepresentation or fraudulent inducement or any question of validity or effect of this Conveyance including this clause) arising out of or related to this Conveyance (including any amendments or extensions), or the breach or termination thereof (a “Dispute”) shall be settled in accordance with the provisions of Section 16 of the DSA.
- (12) On the Termination Date, the ORRI shall automatically terminate and extinguish without the need of Assignee to formally reassign or release such ORRI; provided that, upon request by Assignor, Assignee shall provide a reassignment or release of the ORRI in a form reasonably acceptable to Assignor.

- (13) Any notice provided or permitted to be given under this Conveyance shall be in writing and sent by personal delivery or courier. Notice served shall be deemed to have been given when delivered and receipted for. For purposes of notice, the addresses of the Parties shall be as follows:

If, however, a Commencement Date occurs, the ORRI payments provided for in this Conveyance shall thereafter accrue and be made from the proceeds of production provided for herein.
- (15) Nothing in this Conveyance, express or implied, is intended to confer upon anyone, other than the Parties hereto and their respective successors and assigns, any rights or remedies under or by reason of this Conveyance or to constitute any Person a third-party beneficiary of this Conveyance.
- (16) The Conveyance may be executed in counterparts. Each counterpart shall be deemed to be an original for all purposes, and all counterparts shall together constitute but one and the same instrument. No individual counterpart shall be binding until both Parties have executed a counterpart original.

### 3. ESCROW ACCOUNT

- 3.1 On the Commencement Date the Parties shall execute an escrow agreement substantially similar to the form attached hereto as Exhibit "A" ("**Escrow Agreement**"), which shall

establish an interest-bearing escrow account on behalf of and for the benefit of Assignee with the escrow department of a national financial institution (“**Escrow Account**”). Assignee shall deposit directly into the Escrow Account any and all amounts to be paid pursuant to this Conveyance, which amounts shall serve as Security (and may be used for all such purposes as provided under the DSA), including in calculating the Security Call.

- 3.2 On or after thirty (30) days following the Termination Date, all remaining amounts contained in the Escrow Account (i.e. never triggered as Security or owed as Decommissioning Costs pursuant to the DSA/OA) shall be disbursed to the Assignor.
