The following documents will be submitted with this Cover Letter to be filed with the BOEM Adjudication department via email at boemadjudication@boem.gov. Please note that GOL will utilize this same cover letter for the six below documents and their corresponding pay.gov receipts, because these liens were all filed by Claimant, GOL against Obligor, Renaissance Offshore, LLC, on the same date (April 2, 2026). Please file all six documents as Category 6 Liens and Lien Affidavits.

As instructed, GOL has paid for each document based on the number of lease numbers contained within each document, and has included a pay.gov receipt evidencing the exact dollar amount due for the exact lease number(s) being submitted. A copy of each pay.gov receipt is attached to each of the six emails containing the corresponding lien document.

Due to the extensive page count contained in the original parish lien recordings, which contain exhibits for invoices and vessel logs for time spent servicing certain well sites, GOL LLC has not included such exhibits with these filings to the BOEM. Should the BOEM require these additional exhibits, please let us know and GOL would be pleased to supplement its filings.
