Without in any manner limiting the generality of any of the other provisions of this Mortgage: (i) some portions of the goods described or to which reference is made herein are or are to become Fixtures on the land described or to which reference is made herein or on Exhibit A; (ii) the security interests created hereby under applicable provisions of the Applicable UCC will attach to all As-Extracted Collateral and all other Hydrocarbons; (iii) this Mortgage may be filed of record in the real estate records, Uniform Commercial Code records or other appropriate records as a financing statement; and (iv) one or more of the Mortgagors is the record owner of the real estate or interests in the real estate or immoveable property comprised of the Mortgaged Property.

2.5 Pro Rata Benefit. This Mortgage is executed and granted for the pro rata benefit and security of the Mortgagee and the Secured Parties to secure the Obligations for so long as same remains unpaid and thereafter until the Termination Date.

2.6 Excluded Properties. Notwithstanding anything herein to the contrary, in no event shall the Collateral include, and no Mortgagor shall be deemed to have granted a Lien under this Mortgage in, any of such Mortgagor's right, title or interest in any of the following property:

(a) (i) any property to the extent that such grant of a Lien on such property is prohibited by any Requirement of Law or requires a consent not obtained of any Governmental Authority pursuant to such Requirement of Law, (ii) any property to the extent that such grant of a Lien on such property is (x) prohibited by, or constitutes a breach or default under, or results in (or would result in) the termination of (or would give any other party a right of termination of), or requires any consent not obtained under, any contractual requirement or equity holder or similar agreement or (y) otherwise constitutes or results (or would result) in the abandonment, invalidation or unenforceability of (or would give any other party a right of abandonment, invalidation or unenforceability of) any right, title or interest of such Mortgagor under any contractual requirement or equity holder or similar agreement, except, in each case, to the extent that such Requirement of Law or the term in such contractual requirement or equity holder or similar agreement providing for such prohibition, breach, default or termination or requiring such consent is ineffective under applicable Requirements of Law or purports to prohibit the granting of a Lien over all assets of such Mortgagor or (iii) any property to the extent that such grant of a Lien on such property would result in the forfeiture of such Mortgagor's rights in the property; provided, however, that the foregoing exclusions shall not apply to the extent that any such prohibition, default or other term would be rendered ineffective pursuant to Section 9-406, 9-407, 9-408 or 9-409 of the Applicable UCC of any relevant jurisdiction or any other applicable Requirement of Law; and provided, further, that each Mortgagor shall be deemed to have granted a Lien in all its rights, title and interests in any portion of such property that does not result in any of the consequences specified above including any Proceeds of such property; and provided, further, that, immediately upon the ineffectiveness, lapse or termination of any such Requirement of Law, prohibition or other limitation giving rise to the consequences specified above, the Collateral shall include, and each Mortgagor shall be deemed to have granted a security interest in, all such rights and interests as if such Requirement of Law, prohibition or other limitation had never been in effect; or

(b) any property constituting "Excluded Assets" as such term is defined in the Collateral Agreement.

For the avoidance of doubt, nothing in this Section 2.6 shall be deemed to negate any requirement in the 2034 Talos Indenture or the 2031 Talos Indenture that the Collateral Coverage Minimum (as defined in any of the Credit Documents) be satisfied.

SECTION 3 ASSIGNMENT OF PRODUCTION

3.1 Assignment of Production. As further security for the payment of the Obligations and performance of each Mortgagor's obligations under the Credit Documents and subject to the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, each Mortgagor hereby transfers, assigns, warrants and conveys to the Mortgagee for the pro rata and

pari passu use and benefit of the Secured Parties, effective as of the Effective Date, at 7:00 A.M., local time, all Hydrocarbons that are thereafter produced from and that accrue to the Mortgaged Property, and all proceeds therefrom until the Termination Date and the release or cancellation of the Mortgage. All parties producing, purchasing or receiving any such Hydrocarbons, or having such, or proceeds therefrom, in their possession for which they or others are accountable to the Mortgagee by virtue of the provisions of this Section, are authorized and directed to treat and regard the Mortgagee as the assignee and transferee of such Mortgagor and entitled in such Mortgagor's place and stead to receive such Hydrocarbons and all proceeds therefrom; and said parties and each of them shall be fully protected in so treating and regarding the Mortgagee and shall be under no obligation to see to the application by the Mortgagee of any such proceeds or payments received by it.

3.2 Event of Default. If an Event of Default shall occur and only for so long as such event shall be continuing, after written notice is provided to each Mortgagor by the Mortgagee, and to the extent permitted by applicable Requirements of Law:

(a) Subject to the terms and provisions of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, all of such Mortgagor's Hydrocarbons and products thereof shall be delivered into pipelines connected with the Mortgaged Property, or to the purchaser thereof, to the credit of the Mortgagee, for its benefit and the benefit of the Secured Parties and all such revenues and proceeds thereof shall be paid directly to the Mortgagee with no duty or obligation of any party paying the same to inquire into the rights of the Mortgagee to receive the same, what application is made thereof, or as to any other matter;

(b) Subject to the terms and provisions of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, such Mortgagor agrees to perform all such acts, and to execute all such further assignments, transfers and division orders and other instruments as may be reasonably required or desired by the Mortgagee, after receipt of a written request from the Mortgagee, in order to have said proceeds and revenues so paid to the Mortgagee and, in addition to any and all rights of a secured party under Sections 9-607 and 9-609 of the Applicable UCC, the Mortgagee is fully authorized to receive and receipt for said revenues and proceeds, to endorse and cash any and all checks and drafts payable to the order of such Mortgagor or the Mortgagee for the account of such Mortgagor received from or in connection with said revenues or proceeds and to hold the proceeds thereof in a deposit account with the Mortgagee or other acceptable commercial bank as additional collateral securing the Obligations, and to execute transfer and division orders in the name of such Mortgagor, or otherwise, with warranties binding such Mortgagor; provided that all proceeds received by the Mortgagee pursuant to this grant and assignment shall be applied as provided in Section 5.14;

(c) The Mortgagee shall not be liable for any delay, neglect or failure to effect collection of any proceeds or to take any other action in connection therewith or hereunder, but the Mortgagee shall have the right, at its election after written notice is provided to each such Mortgagor, in the name of such Mortgagor or otherwise, and subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, to prosecute and defend any and all actions or legal proceedings deemed advisable by the

Mortgagee in order to collect such funds and to protect the interests of the Mortgagee and/or such Mortgagor, with all costs, expenses and attorneys' fees incurred in connection therewith being paid by such Mortgagor;

(d) Such Mortgagor hereby appoints the Mortgagee as its attorney-in-fact to pursue any and all rights of such Mortgagor to Liens in the Hydrocarbons securing payment of proceeds of runs attributable to the Hydrocarbons, which power of attorney shall be coupled with an interest and shall be irrevocable until the Termination Date, but the exercise of which shall be subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement; and

(e) Such Mortgagor does hereby specifically agree that third-parties shall be entitled to rely, and shall be fully protected in relying, upon any written notice by the Mortgagee that an Event of Default has occurred and is continuing for the purposes of Section 3.2 above.

3.3 No Liability of the Mortgagee in Collecting. The Mortgagee is hereby absolved from all liability for failure to enforce collection of any proceeds so assigned (and no such failure shall be deemed to be a waiver of any right of the Mortgagee or the Secured Parties under this Section 3) and from all other responsibility in connection therewith, except the responsibility to account to any applicable Mortgagor for funds actually received.

3.4 No Modification of Payment Obligations. Nothing herein contained shall modify, detract from, limit or otherwise alter the absolute obligation of any Mortgagor to make prompt payment of all amounts constituting Obligations when and as the same become due regardless of whether the proceeds of the As-Extracted Collateral and Hydrocarbons are sufficient to pay the same and the rights provided in accordance with the foregoing assignment provision shall be cumulative of all other security of any and every character now or hereafter existing to secure payment of the Obligations. Nothing in this Section 3 is intended to be an acceptance of collateral in satisfaction of the Obligations.

3.5 Status of Assignment. Notwithstanding the other provisions of this Section 3, the Mortgagee has agreed not to exercise its right to receive direct delivery of Hydrocarbons and payment of proceeds immediately. Rather, each party producing, purchasing or receiving Hydrocarbons may continue to make such deliveries or payments to the applicable Mortgagor until such time as such party has received notice from the Mortgagee that an Event of Default has occurred and is continuing and that such party is directed to make delivery or payment directly to the Mortgagee. Subject to the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, the Mortgagee or any receiver appointed in judicial proceedings for the enforcement of this Mortgage shall have the right to receive all of the Hydrocarbons herein assigned and the proceeds therefrom after any Obligations have been declared due and payable in accordance with the provisions of the Credit Documents and to apply all of said proceeds as provided in Section 5.14 hereof. Upon any sale of the Mortgaged Property or any part thereof, whether pursuant to Section 5 or as permitted by the Credit Documents, the Hydrocarbons thereafter produced from the property so sold, and the proceeds therefrom, shall be included in such sale and shall pass to the purchaser free and clear of the assignment contained in this Section.

SECTION 4
REPRESENTATIONS, WARRANTIES AND
COVENANTS

Each Mortgagor hereby represents, warrants and covenants as follows:

4.1 Title. Such Mortgagor has good and defensible title to and is possessed of the Hydrocarbon Interests and has good title to its UCC Collateral. The Collateral is free of all Liens except Permitted Encumbrances.

4.2 Defend Title. This Mortgage is, and always will be kept as, a junior priority Lien upon the Collateral, subject to any Permitted Encumbrances (provided that Permitted Encumbrances under the Credit Documents may exist and attach to the Mortgaged Properties and may have whatever priority such Liens have under applicable law, provided that for the avoidance of doubt, no intent to subordinate priority of the Liens created hereby is intended or to be inferred by the existence thereof). No Mortgagor will create or suffer to be created or permit to exist any Lien, security interest or charge prior or junior to or on parity with the Lien of this Mortgage upon the Collateral or any part thereof other than such Permitted Encumbrances. Subject to Permitted Encumbrances, each Mortgagor will warrant and defend the title to the Collateral against the claims and demands of all other Persons whomsoever and will maintain and preserve the Lien created hereby (and its priority) until the Termination Date. If (i) an adverse claim be made against or a cloud develop upon the title to any part of the Collateral other than a Permitted Encumbrance or (ii) any Person shall challenge the priority or validity of the Liens created by this Mortgage, then each Mortgagor agrees to defend immediately against such adverse claim or take appropriate action to remove such cloud, in each case, at such Mortgagor's sole cost and expense. Each Mortgagor further agrees that the Mortgagee may take such other action as it deems advisable to protect and preserve its interests in the Collateral, and in such event such Mortgagor will indemnify the Mortgagee against any and all cost, attorneys' fees and other expenses that it may incur in defending against any such adverse claim or taking action to remove any such cloud. For the avoidance of doubt, Section 4.1 and Section 4.2 shall not restrict, and are subject to, any disposition permitted by Section 4.06 of the 2034 Talos Indenture and the 2031 Talos Indenture and, as applicable, any equivalent provision in any Other Second-Priority Lien Obligations Document.

4.3 Not a Foreign Person. Such Mortgagor is not a "foreign person" within the meaning of the Code, Sections 1445 and 7701 (i.e., such Mortgagor is not a non-resident alien, foreign corporation, foreign partnership, foreign trust or foreign estate as those terms are defined in the Code and any regulations promulgated thereunder).

4.4 Revenue and Cost Bearing Interest. Such Mortgagor's ownership of its Hydrocarbon Interests and its undivided interests therein as specified on Exhibit A (if specified) will, after giving full effect to all Permitted Encumbrances, afford such Mortgagor not less than those net interests (expressed as a fraction, percentage or decimal) in the production from or that is allocated to such Hydrocarbon Interest specified as net revenue interest (as specified on Exhibit A (if specified)) on attached Exhibit A and will cause such Mortgagor to bear not more than that portion (expressed as a fraction, percentage or decimal), specified as working interest on attached Exhibit A (if specified), of the costs of drilling, developing and operating the wells identified on

attached Exhibit A except to the extent of any proportionate corresponding increase in the net revenue interest.

SECTION 5 RIGHTS AND REMEDIES

5.1 Event of Default. An Event of Default under the 2034 Talos Indenture, the 2031 Talos Indenture or any other Credit Document shall be an Event of Default under this Mortgage.

5.2 Foreclosure and Sale.

(a) If an Event of Default shall occur and be continuing, to the extent provided by applicable Requirements of Law, and subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, the Mortgagee shall have the right and option to proceed with foreclosure and to sell all or any portion of such Mortgaged Property at one or more sales, as an entirety or in parcels, at such place or places in otherwise such manner and upon such notice as may be required by law, or, in the absence of any such requirement, as the Mortgagee may deem appropriate, and to make conveyance to the purchaser or purchasers. Where the Mortgaged Property is situated in (or offshore of) more than one jurisdiction, notice as above provided shall be posted and filed in all such jurisdictions (if such notices are required by law), and all such Mortgaged Property may be sold in any such jurisdiction and any such notice shall designate the jurisdiction where such Mortgaged Property is to be sold. Nothing contained in this Section 5.2 shall be construed so as to limit in any way any rights to sell the Mortgaged Property or any portion thereof by private sale if and to the extent that such private sale is permitted under the Requirements of Law of the applicable jurisdiction or by public or private sale after entry of a judgment by any court of competent jurisdiction so ordering, but subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement. Each Mortgagor hereby irrevocably appoints, effective upon the occurrence and during the continuance of an Event of Default, the Mortgagee, with full power of substitution, to be the attorney-in-fact of such Mortgagor and in the name and on behalf of such Mortgagor to execute and deliver any deeds, transfers, conveyances, assignments, assurances and notices that such Mortgagor ought to execute and deliver and do and perform any and all such acts and things that such Mortgagor ought to do and perform under the covenants herein contained, and generally to use the name of such Mortgagor in the exercise of all or any of the powers hereby conferred on the Mortgagee, but subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement. At any such sale: (i) whether made under the power herein contained or any other legal enactment, or by virtue of any judicial proceedings or any other legal right, remedy or recourse, it shall not be necessary for the Mortgagee to be physically present at, or to have constructive possession of, the Mortgaged Property (each Mortgagor hereby covenanting and agreeing to deliver any portion of the Mortgaged Property not actually or constructively possessed by the Mortgagee immediately upon the Mortgagee's demand) and the title to and right of possession of any such property shall pass to the purchaser thereof as completely as if the same had been actually present and delivered to purchaser at such sale, (ii) each instrument of conveyance executed by the Mortgagee shall contain a general warranty of title, binding upon the applicable Mortgagor

and its successors and assigns, (iii) each and every recital contained in any instrument of conveyance made by the Mortgagee shall conclusively establish the truth and accuracy of the matters recited therein, including, without limitation, nonpayment of the Obligations, advertisement and conduct of such sale in the manner provided herein and otherwise by law and appointment of any successor agent hereunder, (iv) any and all prerequisites to the validity thereof shall be conclusively presumed to have been performed, (v) the receipt of the Mortgagee or of such other party or officer making the sale shall be a sufficient discharge to the purchaser or purchasers for its purchase money and no such purchaser or purchasers, or its assigns or personal representatives, shall thereafter be obligated to see to the application of such purchase money, or be in any way answerable for any loss, misapplication or nonapplication thereof, (vi) to the fullest extent permitted by law, each Mortgagor shall be completely and irrevocably divested of all of its right, title, interest, claim and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against each Mortgagor, and against any and all other persons claiming or to claim the property sold or any part thereof, by, through or under such Mortgagor, and (vii) to the extent and under such circumstances as are permitted by law, the Mortgagee may be a purchaser at any such sale, and shall have the right, after paying or accounting for all costs of said sale or sales, to credit the amount of the bid upon the amount of the Obligations (in the order of priority set forth in Section 5.14) in lieu of cash payment.

(b) If an Event of Default shall occur and be continuing, then subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement (i) the Mortgagee shall be entitled to all of the rights, powers and remedies afforded a secured party by the Applicable UCC with reference to the UCC Collateral and/or (ii) the Mortgagee may proceed as to any Collateral in accordance with the rights and remedies granted under this Mortgage or applicable law in respect of the Collateral. Such rights, powers and remedies shall be cumulative and in addition to those granted to the Mortgagee under any other provision of this Mortgage or under any other Credit Document. Written notice mailed to a Mortgagor as provided herein at least ten (10) days prior to the date of public sale of any part of the Collateral owned by such Mortgagor that is personal property subject to the provisions of the Applicable UCC, or prior to the date after which private sale of any such part of the Collateral will be made, shall constitute reasonable notice. In the event that the Mortgagee is entitled to exercise any rights or remedies under this Mortgage or the other Security Documents, subject to the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, the Mortgagee shall act at the direction of the 2034 Talos Trustee, and, if no 2034 Talos Notes Obligations remain outstanding (other than contingent or unliquidated obligations or liabilities not then due), the Authorized Representative (or its designee) for the series of Obligations that constitutes the largest outstanding principal amount of any then outstanding series of Obligations or, if multiple series of Obligations have equal outstanding principal amounts, the series of such Obligations with the earliest maturity date, as more fully set forth in the Second Lien Intercreditor Agreement.

5.3 Substitute Agents. The Mortgagee may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale held by the Mortgagee, including the posting of notices and the conduct of sale, but in the name and on behalf of the

Mortgagee. If the Mortgagee shall have given notice of sale hereunder, any successor, substitute mortgagee or agent thereafter appointed may complete the sale and the conveyance of the property pursuant thereto as if such notice had been given by the successor, substitute mortgagee or agent conducting the sale.

5.4 Judicial Foreclosure; Receivership. Upon the occurrence of and during the continuance of an Event of Default, subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, the Mortgagee shall have the right and power, but not the obligation, to proceed by a suit or suits in equity or at law, whether for the specific performance of any covenant or agreement herein contained or in aid of the execution of any power herein granted, or for any foreclosure hereunder or for the sale of the Collateral under the judgment, or decree of any court or courts of competent jurisdiction, or for the appointment of a receiver pending any foreclosure hereunder or the sale of the Collateral under the order of a court or courts of competent jurisdiction or under executory or other legal process, or for the enforcement of any other appropriate legal or equitable remedy.

5.5 Foreclosure for Installments. Upon the occurrence of and during the continuance of an Event of Default, subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, the Mortgagee shall also have the option to proceed with foreclosure in satisfaction of any installments of the Obligations that have not been paid when due either through the courts or by proceeding with foreclosure in satisfaction of the matured but unpaid portion of the Obligations as if under a full foreclosure, conducting the sale as herein provided and without declaring the entire principal balance and accrued interest and other Obligations then due; such sale may be made subject to the unmatured portion of the Obligations, and any such sale shall not in any manner affect the unmatured portion of the Obligations, but as to such unmatured portion of the Obligations this Mortgage shall remain in full force and effect just as though no sale had been made hereunder. It is further agreed that upon the occurrence of and during the continuance of an Event of Default, subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, several sales may be made hereunder without exhausting the right of sale for any unmatured part of the Obligations, it being the purpose hereof to provide for a foreclosure and sale of the security for any matured portion of the Obligations without exhausting the power to foreclose and sell the Mortgaged Property for any subsequently maturing portion of the Obligations.

5.6 Separate Sales. Upon the occurrence of and during the continuance of an Event of Default, subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, the Collateral may be sold in one or more parcels and to the extent permitted by applicable Requirements of Law in such manner and order as the Mortgagee, in its sole discretion, may elect, it being expressly understood and agreed that the right of sale arising out of any Event of Default shall not be exhausted by any one or more sales.

5.7 Possession of Mortgaged Property. If an Event of Default shall have occurred and be continuing, then, subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, to the extent permitted by applicable law, the Mortgagee shall have the right and power, but not the obligation, to enter into and upon and take possession of all or any part of the Collateral in the possession of any Mortgagor, its successors or assigns, or its or their agents or servants, and may exclude each Mortgagor, its successors or assigns, and all persons

claiming under any Mortgagor, and its or their agents or servants wholly or partly therefrom; and, holding the same, the Mortgagee may use, administer, manage, operate and control the Collateral and conduct the business thereof to the same extent as the applicable Mortgagor, its successors or assigns, might at the time do and may exercise all rights and powers of such Mortgagor, in the name, place and stead of such Mortgagor, or otherwise as the Mortgagee shall deem best, in its sole discretion.

5.8 Occupancy After Foreclosure. In the event there is a foreclosure sale hereunder and at the time of such sale any Mortgagor or any Mortgagor's heirs, devisees, representatives, successors or assigns or any other person claiming any interest in the Collateral by, through or under any Mortgagor, are occupying or using the Mortgaged Property or any part thereof, each and all shall immediately become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day to day, terminable at the will of either the landlord or tenant, at a reasonable rental per day based upon the value of the property occupied, such rental to be due daily to the purchaser; to the extent permitted by applicable law, the purchaser at such sale shall, notwithstanding any language herein apparently to the contrary, but subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, have the sole option to demand immediate possession following the sale or to permit the occupants to remain as tenants at will. In the event the tenant fails to surrender possession of said property upon demand, the purchaser shall be entitled to institute and maintain a summary action for possession of the Mortgaged Property (such as an action for forcible entry and detainer) in any court having jurisdiction, but subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement.

5.9 Remedies Cumulative, Concurrent and Nonexclusive. Every right, power, privilege and remedy herein given to the Mortgagee shall be cumulative and in addition to every other right, power and remedy herein specifically given or now or hereafter existing in equity, at law or by statute (including specifically those granted by the Applicable UCC in effect and applicable to the Collateral or any portion thereof). Subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, each and every right, power, privilege and remedy whether specifically herein given or otherwise existing may be exercised from time to time and so often and in such order as may be deemed expedient by the Mortgagee, and the exercise, or the beginning of the exercise, or the abandonment, of any such right, power, privilege or remedy shall not be deemed a waiver of the right to exercise, at the same time or thereafter any other right, power, privilege or remedy. No delay or omission by the Mortgagee or any Secured Party in the exercise of any right, power or remedy shall impair any such right, power, privilege or remedy or operate as a waiver thereof or of any other right, power, privilege or remedy then or thereafter existing.

5.10 Discontinuance of Proceedings. If the Mortgagee shall have proceeded to invoke any right, remedy or recourse permitted hereunder or under any Credit Document or available at law and shall thereafter elect to discontinue or abandon same for any reason, then it shall have the unqualified right so to do and, in such an event, the parties shall be restored to their former positions with respect to the Obligations, this Mortgage, the Credit Documents, the Collateral and otherwise, and the rights, remedies, recourses and powers of the Mortgagee shall continue as if same had never been invoked.

5.11 No Release of Obligations. No Mortgagor, Subsidiary Guarantor or other Person hereafter obligated for payment of all or any part of the Obligations shall be relieved of such obligation, to the extent the Obligations remain due and owing, by reason of: (a) the release, regardless of consideration, of the Mortgaged Property or any portion thereof or interest therein or the addition of any other property to the Mortgaged Property; (b) any agreement or stipulation between any subsequent owner of the Mortgaged Property and the Mortgagee extending, renewing, rearranging or in any other way modifying the terms of this Mortgage without first having obtained the consent of, given notice to or paid any consideration to any Mortgagor, any Subsidiary Guarantor or such other Person, and in such event each Mortgagor, each Subsidiary Guarantor and all such other Persons shall continue to be liable to make payment according to the terms of any such extension or modification agreement unless expressly released and discharged in writing by the Mortgagee; or (c) by any other act or occurrence save and except upon the Termination Date.

5.12 Release of and Resort to Collateral. The Mortgagee may release, regardless of consideration, any part of the Collateral without, as to the remainder, in any way impairing, affecting, subordinating or releasing the Lien created in or evidenced by this Mortgage or its stature as a junior Lien, in and to the Collateral, provided that Permitted Encumbrances may exist, and without in any way releasing or diminishing the liability of any Person liable for the repayment of the Obligations. For payment of the Obligations, subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, the Mortgagee may resort to any other security therefor held by the Mortgagee in such order and manner as the Mortgagee may elect.

5.13 Waiver of Redemption. Notice and Marshalling of Assets. Etc. To the fullest extent permitted by law, each Mortgagor hereby irrevocably and unconditionally waives and releases (a) all benefits that might accrue to such Mortgagor by virtue of any present or future moratorium law or other law exempting the Collateral from attachment, levy or sale on execution or providing for any appraisal, valuation, stay of execution, exemption from civil process, redemption or extension of time for payment and (b) any right to a marshalling of assets or a sale in inverse order of alienation. If any law referred to in this Mortgage and now in force, of which any Mortgagor or its successor or successors might take advantage despite the provisions hereof, shall hereafter be repealed or cease to be in force, such law shall thereafter be deemed not to constitute any part of the contract herein contained or to preclude the operation or application of the provisions hereof. If the laws of any state that provides for a redemption period do not permit the redemption period to be waived, the redemption period shall be specifically reduced to the minimum amount of time allowable by statute.

5.14 Application of Proceeds. Subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, upon the occurrence and during the continuance of an Event of Default, the Mortgagee shall promptly apply the proceeds, moneys or balances of any collection or sale of Collateral, in the order specified below:

FIRST, to the pro rata payment of all out-of-pocket costs and expenses and indemnification amounts incurred by the Mortgagee and any Authorized Representative and all fees owed to them in connection with such collection or sale or otherwise in connection

with any Credit Document or any of the Obligations, including all court costs and the fees and expenses of its agents and legal counsel, the repayment of all advances made by the Mortgagee or the relevant Authorized Representatives hereunder or under any other Credit Document on behalf of any Mortgagor, any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Credit Document and all other fees, indemnities and other amounts owing or reimbursable to the Mortgagee and any Authorized Representative under any Credit Document in its capacity as such;

SECOND, to the payment in full of the Obligations (the amounts so applied to be distributed among the Secured Parties pro rata in accordance with the respective amounts of the Obligations owed to them on the date of any such distribution (or in accordance with such other method of distribution as may be set forth in the Senior Lien Intercreditor Agreement and/or the Second Lien Intercreditor Agreement)); and

THIRD, to each such Mortgagor, its successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Mortgagee shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Mortgage. Upon the request of the Mortgagee prior to any distribution under this Section 5.14, each Authorized Representative shall provide to the Mortgagee, as applicable, certificates, in form and substance reasonably satisfactory to the Mortgagee, as applicable, setting forth the respective amounts referred to in this Section 5.14, that each applicable Secured Party or their Authorized Representative believes it is entitled to receive, and the Mortgagee, as applicable, shall be fully entitled to rely on such certificates. Upon any sale of Collateral by the Mortgagee (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by the Mortgagee or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Mortgagee or such officer or be answerable in any way for the misapplication thereof.

Notwithstanding the foregoing, in the event of any determination by a court of competent jurisdiction that (i) any series of the Obligations is unenforceable under applicable law or is subordinated to any other obligations (other than another series of Obligations), (ii) any series of the Obligations does not have an enforceable security interest in any of the Collateral and/or (iii) any intervening security interest exists securing any other obligations (other than another series of Obligations) on a basis ranking prior to the security interest of such series of Obligations but junior to the security interest of any other series of Obligations (any such condition referred to in the foregoing clauses (i), (ii) or (iii) with respect to any series of Obligations, an “Impairment” of such series of Obligations), the results of such Impairment shall be borne solely by the holders of such series of Obligations, and the rights of the holders of such series of Obligations (including, without limitation, the right to receive distributions in respect of such series of Obligations) set forth herein

shall be modified to the extent necessary so that the effects of such Impairment are borne solely by the holders of such series of Obligations subject to such Impairment. Notwithstanding the foregoing, with respect to any Collateral for which a third party (other than a Secured Party) has a lien or security interest that is junior in priority to the security interest of any series of Obligations but senior (as determined by appropriate legal proceedings in the case of any dispute) to the security interest of any other series of Obligations (such third party, an “Intervening Creditor”), the value of any Collateral or proceeds which are allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Collateral or proceeds to be distributed in respect of the series of Obligations with respect to which such Impairment exists.

5.15 Resignation of Operator. In addition to all rights and remedies under this Mortgage, at law and in equity, if any Event of Default shall occur and be continuing and the Mortgagee shall exercise any remedies under this Mortgage with respect to any portion of the Mortgaged Property (or any Mortgagor shall transfer any Mortgaged Property “in lieu of” foreclosure) whereupon such Mortgagor is divested of its title to any of the Collateral, the Mortgagee shall have the right, subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, to request that any operator of any Mortgaged Property that is either a Mortgagor or any Affiliate of a Mortgagor to resign as operator under the joint operating agreement applicable thereto, and no later than 60 days after receipt by such Mortgagor of any such request, such Mortgagor shall resign (or, to the extent it is able to do so, cause such other Person to resign) as operator of such Collateral to the extent allowed by Requirements of Law.

5.16 Indemnity. **THE INDEMNIFIED PARTIES SHALL NOT BE LIABLE, IN CONNECTION WITH ANY ACTION TAKEN, FOR ANY LOSS SUSTAINED BY ANY MORTGAGOR RESULTING FROM AN ASSERTION THAT THE MORTGAGEE HAS RECEIVED FUNDS FROM THE PRODUCTION OF HYDROCARBONS CLAIMED BY THIRD PERSONS OR ANY ACT OR OMISSION OF ANY INDEMNIFIED PARTY IN ADMINISTERING, MANAGING, OPERATING OR CONTROLLING THE MORTGAGED PROPERTY INCLUDING SUCH LOSS THAT MAY RESULT FROM THE ORDINARY NEGLIGENCE OF AN INDEMNIFIED PARTY UNLESS SUCH LOSS IS CAUSED BY THE WILLFUL MISCONDUCT, BAD FAITH OR GROSS NEGLIGENCE OF THE INDEMNIFIED PARTY SEEKING INDEMNITY OR ANY OF ITS RELATED PARTIES. NO INDEMNIFIED PARTY SHALL BE OBLIGATED TO PERFORM OR DISCHARGE ANY OBLIGATION, DUTY OR LIABILITY OF ANY MORTGAGOR. EACH MORTGAGOR AGREES TO PAY, AND TO SAVE THE INDEMNIFIED PARTIES HARMLESS FROM, ANY AND ALL LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES OR DISBURSEMENTS OF ANY KIND OR NATURE WHATSOEVER WITH RESPECT TO THE EXECUTION, DELIVERY, ENFORCEMENT, PERFORMANCE AND ADMINISTRATION OF THIS MORTGAGE TO THE EXTENT THE COMPANY WOULD BE REQUIRED TO DO SO PURSUANT TO SECTION 7.07 OF THE 2034 TALOS INDENTURE OR THE 2031 TALOS INDENTURE OR ANY EQUIVALENT PROVISION OF ANY OTHER SECOND-PRIORITY LIEN OBLIGATIONS DOCUMENT. THE LIABILITIES OF ANY MORTGAGOR AS SET FORTH IN THIS SECTION 5.16 SHALL SURVIVE THE TERMINATION OF THIS MORTGAGE.**

5.17 Failure to Perform. Each Mortgagor agrees that if it fails to perform any act or to take any action that it is required to perform or take hereunder or pay any money that such Mortgagor is required to pay hereunder, the Mortgagee, in such Mortgagor's name or its or their own name or names, may, but shall not be obligated to, perform or cause to perform such act or take such action or pay such money.

SECTION 6
[RESERVED].

SECTION 7
MISCELLANEOUS

7.1 Termination or Release.

(a) Each Mortgagor shall automatically be released from its obligations hereunder and the security interests in the Collateral of such Mortgagor shall be automatically released upon the consummation of any transaction not prohibited by the Credit Documents as a result of which such Mortgagor ceases to be a Restricted Subsidiary or such Mortgagor is released from its Subsidiary Guarantee and from all other guarantees of the Credit Documents or otherwise ceases to be a Subsidiary Guarantor under all Credit Documents, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to such Mortgagor.

(b) (i) Upon any sale or other transfer by any Mortgagor of any Collateral that is not prohibited by the Credit Documents to any person that is not the Company or a Subsidiary Party (as defined in the Collateral Agreement), or (ii) upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 9.02 of the 2034 Talos Indenture and the 2031 Talos Indenture and any equivalent provision of each applicable other Credit Document, the security interest in such Collateral shall be automatically released, all without delivery of any instrument or performance of any act by any party.

(c) If any of the Collateral shall become subject to the release provision set forth in Section 5.1 of the Senior Lien Intercreditor Agreement or Section 2.04 of the Second Lien Intercreditor Agreement, such Collateral shall be automatically released from the security interest in such Collateral to the extent provided therein.

(d) This Mortgage, the Liens and all other security interests granted hereby, and all other Security Documents securing the Obligations, shall automatically terminate and/or be released all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to each such Mortgagor, as of the date when all the Obligations (other than contingent or unliquidated obligations or liabilities not then due) have been paid in full in cash or immediately available funds.

(e) The security interest securing the 2034 Talos Notes Obligations will be released as provided in Section 11.04 of the 2034 Talos Indenture, the security interest securing the 2031 Talos Notes Obligations will be released as provided in Section 11.04 of the 2031 Talos Indenture, and the security interest securing any Other Second-Priority Lien

Obligations will be released as provided in the applicable Other Second-Priority Lien Obligations Documents.

(f) In connection with any termination or release pursuant to paragraphs (a) through (e) of this Section 7.1, the Mortgagee shall execute and deliver to each Mortgagor, at such Mortgagor's expense, all documents that such Mortgagor shall reasonably request to evidence such termination or release (including, without limitation, mortgage releases and UCC termination statements). Any execution and delivery of documents pursuant to this Section 7.1 shall be without recourse to or warranty by the Mortgagee. In connection with any release pursuant to paragraphs (a) through (e) above, such Mortgagor shall be permitted to take any action in connection therewith consistent with such release including, without limitation, the filing of mortgage releases and UCC termination statements. Upon the receipt of any necessary or proper instruments of termination, satisfaction or release prepared by the Company, the Mortgagee shall, subject to the Mortgagee's receipt of an Officers' Certificate from the Company certifying that such transaction is in compliance with the Credit Documents and, to the extent required by any applicable Credit Document, receipt of an Opinion of Counsel, execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Mortgage, the other Security Documents, the Senior Lien Intercreditor Agreement or the Second Lien Intercreditor Agreement. Each Mortgagor agrees to pay all documented out-of-pocket expenses incurred by the Mortgagee (and its representatives and counsel) in connection with the execution and delivery of such release documents or instruments.

(g) The Mortgagors acknowledge and agree that possession of any note evidencing any part of the Obligations (or any replacements of any said note or other instrument evidencing any part of the Obligations) at any time by any Mortgagor, the Company or the Subsidiary Guarantors shall not in any manner extinguish the Obligations or this Mortgage, and such Mortgagor shall have the right to issue and reissue any of the 2034 Talos Notes or the 2031 Talos Notes from time to time as its interest or as convenience may require, without in any manner extinguishing or affecting the Obligations or the Lien of this Mortgage.

7.2 Severability. If any provision hereof is invalid or unenforceable in any jurisdiction, the other provisions hereof shall remain in full force and effect in such jurisdiction and the remaining provisions hereof shall be liberally construed in favor of the Mortgagee and the Secured Parties in order to effectuate the provisions hereof. The invalidity or unenforceability of any provision hereof in any jurisdiction shall not affect the validity or enforceability of any such provision in any other jurisdiction.

7.3 Successors and Assigns. The terms used to designate any party or group of persons shall be deemed to include the respective heirs, legal representatives, successors and permitted assigns of such Persons.

7.4 Satisfaction of Prior Encumbrance. To the extent that proceeds of the 2034 Talos Indenture or the 2031 Talos Indenture are used to pay Indebtedness secured by any outstanding Lien against the Mortgaged Property then the parties agree that: (a) such proceeds have been advanced at such Mortgagor's request, and (b) the Mortgagee shall be subrogated to any and all

rights and Liens owned by any owner or holder of such outstanding Liens, irrespective of whether said Liens are or have been released. It is expressly understood that, in consideration of the payment of such other Indebtedness, each Mortgagor hereby waives and releases all demands and causes of action for offsets and payments to, upon and in connection with the said Indebtedness. This Mortgage is made with full substitution and subrogation of the Mortgagee and its successors and assigns in and to all covenants and warranties by others heretofore given or made in respect of the Mortgaged Property or any part thereof.

7.5 Application of Payments to Certain Obligations. If any part of the Obligations cannot be lawfully secured by this Mortgage or if any part of the Collateral cannot be lawfully subject to the Lien hereof to the full extent of the Obligations, then, subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, all payments made shall be applied on said Obligations first in discharge of that portion thereof that is not secured by this Mortgage.

7.6 Nature of Covenants. The covenants and agreements herein contained shall constitute covenants running with the land and interests covered or affected hereby and shall be binding upon the heirs, legal representatives, successors and assigns of the parties hereto.

7.7 Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 13.02 of the 2034 Talos Indenture (whether or not then in effect), as such address may be changed by written notice to the Mortgagee and the Company and all notices to (a) any Authorized Representative with respect to the 2031 Talos Indenture shall be given to the address set forth on its signature page to the Collateral Agreement and (b) any Other Second-Priority Lien Obligations shall be given to it at the address set forth in the Other Second-Priority Lien Obligations Accession Agreement, in each case, as such address may be changed by written notice to the Mortgagee and the Company. All communications and notices hereunder to any Mortgagor shall be given to it in care of the Company, with such notice to be given as provided in Section 13.02 of the 2034 Talos Indenture (whether or not then in effect).

7.8 Expenses. Each Mortgagor agrees to pay any and all reasonable and documented out of pocket expenses (including all reasonable fees and disbursements of counsel) that may be paid or incurred by the Mortgagee in administering, enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, any Mortgagor under this Mortgage as provided in Section 7.07 of the 2034 Talos Indenture and the 2031 Talos Indenture and any equivalent provision of any other Credit Document.

7.9 Counterparts. This Mortgage is being executed in several counterparts, all of which are identical, except that to facilitate recordation, if the Mortgaged Property is situated in (or offshore of) more than one parish, descriptions of only those portions of the Mortgaged Property located in (or offshore of) the parish in which a particular counterpart is recorded may be attached as Exhibit A to such counterpart. Each of such counterparts shall for all purposes be deemed to be an original and all such counterparts shall together constitute but one and the same instrument.

7.10 Governing Law. Insofar as permitted by otherwise applicable law, this Mortgage shall be construed under and governed by the laws of the State of Louisiana.

7.11 Financing Statement; Fixture Filing. This Mortgage shall be effective as a financing statement filed as a fixture filing with respect to all Fixtures included within the Mortgaged Property and may be filed or filed for record with the Clerk of Court of any Parish in Louisiana, the real estate records, uniform commercial code records, mortgage records or other appropriate records of each jurisdiction where any part of the Mortgaged Property (including said fixtures) is situated (or is offshore of). This Mortgage shall also be effective as a financing statement covering As-Extracted Collateral (including oil and gas and all other substances of value that may be extracted from the ground) and accounts financed at the wellhead or minehead of wells or mines located on the properties subject to the Applicable UCC and is to be filed for record with the Clerk of Court of any Parish in Louisiana, the real estate records, uniform commercial code records or other appropriate records of each jurisdiction where any part of the Mortgaged Property is situated (or is offshore of).

7.12 Filing of Financing Statements. Pursuant to the Applicable UCC, each Mortgagor authorizes the Mortgagee, its counsel or its representative, at any time and from time to time, to file or record financing statements, continuation statements, amendments thereto and other filing or recording documents or instruments with respect to the Mortgaged Property without the signature of such Mortgagor in such form and in such offices as the Mortgagee reasonably determines appropriate to perfect the security interests of the Mortgagee under this Mortgage. Each Mortgagor also authorizes the Mortgagee, its counsel or its representative, at any time and from time to time, to file or record such financing statements that describe the collateral covered thereby as “all assets of the Mortgagor”, “all personal property of the Mortgagor” or words of similar effect. Each Mortgagor shall pay all costs associated with the filing of such instruments.

7.13 Limit on Obligations and Collateral. It is the intention of each Mortgagor, the Mortgagee, and the Secured Parties that this Mortgage not constitute a fraudulent transfer or fraudulent conveyance under any state or federal law that may be applied hereto. Each Mortgagor and, by the Mortgagee's acceptance hereof, the Mortgagee and the Secured Parties hereby acknowledge and agree that, notwithstanding any other provision of this Mortgage, the indebtedness of each Mortgagor secured hereby shall be limited to the maximum amount of indebtedness that can be incurred or secured by such Mortgagor without rendering this Mortgage voidable under applicable law relating to fraudulent conveyances or fraudulent transfers.

7.14 References. The words "herein," "hereof," "hereunder" and other words of similar import when used in this Mortgage refer to this Mortgage as a whole, and not to any particular article, section or subsection. Any reference herein to a Section shall be deemed to refer to the applicable Section of this Mortgage unless otherwise stated herein. Any reference herein to an exhibit or schedule shall be deemed to refer to the applicable exhibit or schedule attached hereto unless otherwise stated herein.

7.15 Senior Lien Intercreditor Agreement.

(a) Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the Mortgagee, for the benefit of the Secured Parties, pursuant to this Mortgage are expressly subject and subordinate to the liens and security interests granted to the holders of First Lien Obligations, including the First Lien Agent pursuant to the First Lien Mortgage, and (ii) the exercise of any right or remedy by the Mortgagee hereunder or the application of proceeds (including insurance proceeds and condemnation proceeds) of any Collateral are subject to the limitations and provisions of the Senior Lien Intercreditor Agreement. In the event of any conflict between the terms of this Mortgage and the terms of the Senior Lien Intercreditor Agreement, the provisions hereof shall be controlling as necessary to create, as of the Effective Date and as of the date of recordation of the Mortgage and related financing statements in all offices and jurisdictions required to make the Mortgage enforceable against third persons, a valid mortgage lien on the Mortgaged Properties.

(b) Notwithstanding anything herein to the contrary, the liens and security interests granted to the Mortgagee, for the benefit of the Secured Parties, pursuant to this Mortgage, and the exercise of any right or remedy by the Mortgagee hereunder or the application of proceeds (including insurance proceeds and condemnation proceeds) of any Collateral are, in both cases, subject to the limitations and provisions of the Second Lien Intercreditor Agreement. In the event of any conflict between the terms of the Second Lien Intercreditor Agreement and the terms of this Mortgage, the terms of the Second Lien Intercreditor Agreement shall govern; provided, that, in the event of any conflict between

the terms of the Second Lien Intercreditor Agreement and the Senior Lien Intercreditor Agreement, the Senior Lien Intercreditor Agreement shall govern.

7.16 First Lien Documents. The Mortgagee acknowledges and agrees, on behalf of itself and the Secured Parties, that any provision of this Mortgage to the contrary notwithstanding, until the First Lien Obligations Termination Date, no Mortgagor shall be required to act or refrain from acting pursuant to the Security Documents or with respect to any Collateral in any manner that would result in a default under the terms and provisions of the First Lien Documents.

7.17 Other Second-Priority Lien Obligations. On or after the Effective Date and so long as such obligations are not prohibited by any First Lien Documents or any Credit Document then in effect, the Company may from time to time designate obligations in respect of Indebtedness to be secured on a pari passu basis with the Obligations as Other Second-Priority Lien Obligations hereunder and under the other Security Documents by delivering to the Mortgagee and each Authorized Representative (a) a certificate signed by an Officer of the Company (i) identifying the obligations so designated and the initial aggregate principal amount or face amount thereof, (ii) stating that such obligations are designated as Other Second-Priority Lien Obligations for purposes hereof and of the other Security Documents, (iii) representing that such designation of such obligations as Other Second-Priority Lien Obligations complies with the terms of the 2034 Talos Indenture, the 2031 Talos Indenture, and any other Credit Document then in effect, (iv) specifying the name and address of the Authorized Representative for such obligations and (v) identifying the documents to be designated as the related Other Second-Priority Lien Obligations Documents and (b) a fully executed Other Second-Priority Lien Obligations Accession Agreement. The Mortgagee and each Authorized Representative agree that upon the satisfaction of all conditions set forth in the preceding sentence, the Mortgagee shall act as agent under and subject to the terms of the Security Documents for the benefit of all Secured Parties, including without limitation, any Secured Parties that hold any such Other Second-Priority Lien Obligations.

7.18 WAIVER OF JURY TRIAL. **EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY REQUIREMENTS OF LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS MORTGAGE OR ANY OTHER CREDIT DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS MORTGAGE BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.18.**

7.19 Jurisdiction; Consent to Service of Process.

(a) Each party to this Mortgage hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to

this Mortgage or any other Credit Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Mortgage shall affect any right that the Mortgagee or any Secured Party may otherwise have to bring any action or proceeding relating to this Mortgage or any other Credit Document against any Mortgagor, or its properties, in the courts of any jurisdiction.

(b) Each party to this Mortgage hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Mortgage or any other Credit Document in any New York State or federal court of the United States of America sitting in New York County, and any appellate court from any thereof. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Mortgage irrevocably consents to service of process in the manner provided for notices in Section 7.7. Nothing in this Mortgage or any other Credit Document will affect the right of any party to this Mortgage to serve process in any other manner permitted by law.

7.20 General Authority of the Mortgagee.

(a) Subject to the rights of the Applicable Agent and the Controlling Collateral Agent (as defined in the Second Lien Intercreditor Agreement), as applicable, to instruct the Mortgagee under the Senior Lien Intercreditor Agreement and/or the Second Lien Intercreditor Agreement, by acceptance of the benefits of this Mortgage and any other Security Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (i) to consent to the appointment of the Mortgagee as its agent hereunder and under such other Security Documents, (ii) to confirm that the Mortgagee shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provision of this Mortgage and such other Security Documents against any Mortgagor, the exercise of remedies hereunder or thereunder and the giving or withholding of any consent or approval hereunder or thereunder relating to any Collateral or any Mortgagor's obligations with respect thereto, (iii) to agree that it shall not take any action to enforce any provisions of this Mortgage or any other Security Document against such Mortgagor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Mortgage or any other Security Document and (iv) to agree to be bound by the terms of this Mortgage and any other Security Documents and the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement. The actions of the Mortgagee hereunder are subject to the provisions of the 2034 Talos Indenture, the 2031 Talos Indenture and/or any applicable Other Second-Priority Lien Obligations Document, as the case may be, including the rights,

protections, privileges, immunities and indemnities of the Collateral Agent, which are incorporated herein *mutatis mutandis*, as if a part hereof.

(b) Each Mortgagor acknowledges that the rights and responsibilities of the Mortgagee under this Mortgage with respect to any action taken by the Mortgagee or the exercise or non-exercise by the Mortgagee of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Mortgage shall, as between the Mortgagee and the Secured Parties, be governed by the Senior Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement, the 2034 Talos Indenture, the 2031 Talos Indenture, any Other Second-Priority Lien Obligations Document and such other agreements with respect thereto as may exist from time to time among them, but, as between the Mortgagee and each Mortgagor, the Mortgagee shall be conclusively presumed to be acting as agent for the applicable Secured Parties with full and valid authority so to act or refrain from acting, and no Mortgagor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

(c) Beyond the exercise of reasonable care in the custody thereof, the Mortgagee shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Mortgagee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Mortgagee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Mortgagee in good faith. The Mortgagee shall have no duty to act outside of the United States of America in respect of Collateral.

(d) The Mortgagee shall be entitled to rely upon any written notice, statement, certificate, order or other document or any telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person, and, with respect to all matters pertaining to this Mortgage and its duties hereunder, upon advice of counsel selected by it.

7.21 Waivers; Amendment.

(a) No failure or delay by the Mortgagee, any Holder or any Secured Party in exercising any right, power or remedy hereunder or under any other Credit Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of the Mortgagee, the Holders or any Secured Party hereunder and under the other Credit Documents are cumulative and are not exclusive of any rights, powers or remedies that they would otherwise have. No waiver of

any provision of this Mortgage or consent to any departure by any Mortgagor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 7.21, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any Mortgagor in any case shall entitle such Mortgagor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Mortgage nor any provision hereof or of any other Security Document may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Mortgagee and any Mortgagor with respect to which such waiver, amendment, supplement, or modification is to apply, subject to any consent required in accordance with Section 9.02 of the 2034 Talos Indenture and the 2031 Talos Indenture and any equivalent provision in each applicable other Credit Document and except as otherwise provided in the Senior Lien Intercreditor Agreement or the Second Lien Intercreditor Agreement, as applicable. For the avoidance of doubt, the Mortgagee shall have no obligation to execute and deliver any amendment, supplement, modification or waiver to this Mortgage or any other Credit Document which affects its own rights, duties, privileges, protections, indemnities or immunities under this Mortgage or under the other Credit Documents. In signing such waiver, amendment, supplement or modification, the Mortgagee may conclusively rely on a certificate of an officer of the Company as to whether any amendment contemplated by this Section 7.21(b) is permitted.

SECTION 8 LOUISIANA PROVISIONS

8.1 Principles of Construction. In the event of any inconsistencies between the terms and conditions of this Section 8 and the other terms and conditions of this Mortgage, the terms and conditions of this Section 8 shall control and be binding. In the event of any conflict between this Section 8 and the 2034 Talos Indenture, the 2031 Talos Indenture or any other Credit Document, the provisions hereof shall be controlling as necessary to create, preserve, perfect and maintain a valid mortgage lien and security interest upon the Collateral, and to provide for the enforcement and foreclosure of the same; otherwise the provision of the 2034 Talos Indenture, the 2031 Talos Indenture or any other Credit Document shall be controlling.

8.2 Future Advances. This Mortgage may secure future advances, and in accordance with Article 3298 of the Louisiana Civil Code, and as to all Obligations, present and future, secured by this Mortgage, notwithstanding the nature of such obligations or the date they arise, this Mortgage has effect between the parties from the time this Mortgage is executed, and as to third persons from the time this Mortgage is filed for registry.

8.3 Maximum Amount Secured. The maximum amount of Obligations that may be outstanding at any time and from time to time that this Mortgage secures shall be \$2,850,000,000 (the “Maximum Amount”).

8.4 Alienation. The Mortgaged Property is to remain so specially mortgaged, affected and hypothecated unto and in favor of Mortgagee for the benefit of itself and the Secured Parties subject to the terms and conditions of Section 7.1, and each Mortgagor is herein and hereby bound

and obligated not to sell, alienate, mortgage or encumber the Mortgaged Property, or any part thereof, to the prejudice of this act, and not to permit or suffer the same to be so sold, alienated, deteriorated or encumbered, subject in each case to Permitted Encumbrances and any disposition permitted by Section 4.06 of the 2034 Talos Indenture and the 2031 Talos Indenture and any equivalent provision in any Other Second-Priority Lien Obligations Document.

8.5 Confession of Judgment. For purposes of foreclosure under Louisiana executory process procedures, each Mortgagor hereby acknowledges and confesses judgment in favor of the Mortgagee and the Secured Parties for the full amount of the Obligations.

8.6 Additional Louisiana Remedies. Upon the occurrence and during the continuance of an Event of Default, subject to the terms of the Senior Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, the Mortgagee may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against any Mortgagor and in and to the Mortgaged Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as the Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of the Mortgagee: (i) institute proceedings for the complete foreclosure of this Mortgage in which case the Mortgaged Property may be sold for cash or upon credit in one or more parcels under ordinary or executory process, at the Mortgagee's sole option, and with or without appraisal, appraisal being expressly waived; or (ii) to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Mortgage for the portion of the Obligations then due and payable, subject to the continuing lien of this Mortgage for the balance of the Obligations not then due; or (iii) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained in this Mortgage, the 2034 Talos Indenture, the 2031 Talos Indenture or the other Credit Documents; or (iv) recover judgment on the Obligations either before, during or after any proceedings for the enforcement of this Mortgage; or (v) apply for the appointment of a trustee, receiver, liquidator or conservator of the Mortgaged Property, without regard for the adequacy of the security for the Obligations and without regard for the solvency of any Mortgagor or of any person, firm, or other entity liable for the payment of the Obligations; or (vi) to the extent allowed by applicable law, sell the UCC Collateral or any part thereof at public or private sale, for cash, upon credit or for future delivery, at such price or prices as the Mortgagee may deem satisfactory, and in connection with any such sale, each Mortgagor hereby specifically waives all rights of redemption, stay or appraisal which it has or may have under any law now existing or hereafter adopted and agrees that 10 days prior written notice of the time and place of any such sale or other intended disposition of any of the UCC Collateral constitutes "reasonable notification" within the meaning of the Uniform Commercial Code, except that shorter or no notice shall be reasonable as to any UCC Collateral which is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market; or (vii) pursue such other remedies as the Mortgagee may have under applicable law, including, without limitation, as a secured party under the Uniform Commercial Code.

8.7 Keeper. In the event the Mortgaged Property, or any part thereof, is seized as an incident to an action for the recognition or enforcement of this Mortgage by executory process, ordinary process, sequestration, writ of fieri facias or otherwise, each Mortgagor and the Mortgagee agree that the court issuing any such order shall, if petitioned for by Mortgagee, direct

the applicable sheriff to appoint as a keeper of the Mortgaged Property, Mortgagee or any agent designated by Mortgagee or any person named by the Mortgagee at the time such seizure is effected. This designation is pursuant to Louisiana Revised Statutes 9:5131, et seq., and 9:5136, et seq., as the same may be amended, and Mortgagee shall be entitled to all the rights and benefits afforded thereunder. It is hereby agreed that the keeper shall be entitled to receive as compensation the reasonable costs and expenses incurred in the administration or preservation of the Mortgaged Property. The designation of keeper made herein shall not be deemed to require Mortgagee to provoke the appointment of such a keeper.

8.8 Waivers. Each Mortgagor waives in favor of the Mortgagee and the Secured Parties any and all homestead exemptions and other exemptions of seizure or otherwise to which such Mortgagor is or may be entitled under the constitution and statutes of the State of Louisiana insofar as the Mortgaged Property is concerned. Each Mortgagor further waives to the extent allowed by applicable law: (a) the benefit of appraisal as provided in Louisiana Code of Civil Procedure Articles 2332, 2336, 2723 and 2724, and all other laws conferring the same; (b) the notice of seizure required by Louisiana Code of Civil Procedure Articles 2293 and 2721; (c) the three days delay provided by Louisiana Code of Civil Procedure Articles 2331 and 2722; and (d) the benefit of the other provisions of Louisiana Code of Civil Procedure Articles 2331, 2722 and 2723, not specifically mentioned above.

8.9 Authentic Evidence. Any and all declarations of fact made by authentic act before a notary public in the presence of two competent witnesses by a person declaring that such facts lie within his knowledge, shall constitute authentic evidence of such facts for the purpose of executory process.
