Part B – Certification and Acceptance

1. Each Assignor certifies it is the owner of the operating rights interest in the above-described lease that is hereby assigned to the Assignee(s) specified above.
2. **DEBARMENT COMPLIANCE:** Each Assignor and Assignee certifies its compliance with the Department of the Interior’s non-procurement debarment and suspension regulations at 2 CFR Subtitle B, Part 1400, and agrees to communicate the requirement to comply with these regulations to persons with whom it does business related to this operating rights interest assignment by including the terms of the regulations in its contracts and transactions.
3. **QUALIFICATIONS of ASSIGNOR(S) and ASSIGNEE(S):** Each Assignor and Assignee certifies that it: is established and officially recognized by the Bureau of Ocean Energy Management as qualified and authorized to bid on, acquire interests in, and hold OCS oil and gas leases; is exercising and meeting due diligence requirements on any other OCS lease in accordance with section 8 of the OCSLA, as amended (43 U.S.C. 1337(d)); is in good standing with acceptable operating performance as required by 30 CFR §§ 550 and 556; is not disqualified by BOEM from acquiring any new OCS leases or assigned interest(s) in existing leases because of unacceptable operating performance on any other OCS lease; is not failing to meet or exercise due diligence (as determined by BOEM after notice and opportunity for a hearing under 30 CFR part 590, subpart A); and is not restricted from bidding or acquiring interests in the lease or officially designated subdivision, therein, or grouped with any other entities on the restricted joint bidders list.
4. Assignee’s execution of this assignment constitutes acceptance of all applicable terms, conditions, stipulations and restrictions pertaining to the lease described herein. Applicable terms and conditions include, but are not limited to, an obligation to conduct all operations on the leasehold in accordance with the terms and conditions of the lease, to condition all wells for proper abandonment, to restore the leased lands upon completion of any operations as described in the lease, and to furnish and maintain bond(s) pursuant to regulations at 30 CFR §§ 550 and 556. This assignment is subject to the Outer Continental Shelf Lands Act of August 7, 1953, 67 Stat. 462; 43 U.S.C. 1331 et seq., as amended (the “Act”), and Assignee(s) is (are) subject to, and shall fully comply with, all applicable regulations now or to be issued under the Act. Notwithstanding any agreement between the Assignor(s) and Assignee(s), the parties’ liability to the Bureau of Ocean Energy Management is governed by 30 CFR §§ 550 through 556.

This Assignment of Operating Rights Interest will be made effective between the parties hereto as of August 1, 2026, upon approval by the Bureau of Ocean Energy Management, United States Department of the Interior.

This instrument may be executed in any number of counterparts, each of which will be deemed an original instrument, but all of which together will constitute but one and the same instrument provided. However, this instrument and any other counterpart hereof, will not be binding unless and until executed by all of the parties, and will not be accepted by the Bureau of Ocean Energy Management unless all counterparts are filed simultaneously.

By signing this document, you certify that your statements made herein are true, complete and correct to the best of your knowledge and belief and are made in good faith.

Title 18 U.S.C. Sec. 1001 makes it a crime for any person knowingly and willfully to make to any Department or agency of the United States any false, fictitious or fraudulent statements or representations as to any matter within its jurisdiction.

provisions in the body of this Assignment will prevail, unless otherwise mutually agreed to in writing by the Assignor and Assignee. The execution, acknowledgement and delivery of any instrument/document pursuant to this section will not modify, change or amend this Assignment or result in a waiver of any rights or obligations under this Assignment, unless otherwise mutually agreed to in writing by the Assignor and Assignee.

Assignment Subject to Coincidental Contracts

This Assignment is made subject to Assignee’s assumption of the express and implied terms and conditions of the Lease and the following agreements (collectively, the “**Contracts**”):

- 1) That certain Lease Exchange Agreement dated effective August 1, 2026, by and between Chevron U.S.A. Inc., Talos Production Inc., Talos Energy Offshore LLC, Talos Energy Ventures, LLC, and Talos QN Exploration LLC.
- 2) [insert applicable Prior Contracts]

Assignee assumes the performance of all obligations under the Lease and the Contracts as to the Assigned Interests. Should any terms of this Assignment conflict with the terms of the Contracts listed above, the terms of the Contract shall control. There shall be no merger of any of the Contracts with this Assignment; rather, the Contracts shall survive the granting of this Assignment.

Limited Warranty of Title

Assigned Interest is assigned: without warranty of title (express, statutory or implied), except as to claims by persons or entities claiming the same Lease, or any part thereof, by, through or under the Assignor but not otherwise, with full subrogation and substitution of Assignee in and to all actions in warranty; and free and clear of any contracts (other than the Contracts and the Lease) and any overriding royalties, production payments, mortgages, pledges or other burdens, liens, or encumbrances on the Assigned Interest or production from the Lease (including dedication of production or dedication for processing or transportation), other than the lessor's royalty.

Binding Effect

This Assignment and the rights, titles, interests and obligations assigned, reserved, excepted or retained in this Assignment, shall inure to the benefit of, and shall be binding upon, the successors and assigns of the Assignor and Assignee. The covenants, obligations and Contracts contained in this Assignment shall be construed as covenants running with the land, the Lease and the Assigned Interest.

Effective Date

This Assignment is made effective as of 12:00 a.m. Central Standard Time on August1, 2026, subject to the approval by the Bureau of Ocean and Energy Management, United States Department of Interior.

Miscellaneous

This Assignment may be executed in duplicate counterparts. Each duplicate counterpart shall be considered an original, and all such counterparts hereof shall be construed together as one instrument.

Antoine M. Johnson

This Assignment shall be attached as Exhibit A to Form BOEM-0151. For clarity and recordation purposes, this Assignment has been drafted as a complete stand-alone instrument and the granting language contained herein is merely intended to mirror Form BOEM-0151 and is not intended to convey any additional interest to Assignee.

IN WITNESS WHEREOF, the Assignor and Assignee have executed, delivered and accepted this Assignment as of the date(s) below:
