would give any other party a right of abandonment, invalidation or unenforceability of) any right, title or interest of such Mortgagor under any Contractual Requirement or equity holder or similar agreement, except, in each case, to the extent that such Requirement of Law or the term in such Contractual Requirement or equity holder or similar agreement providing for such prohibition, breach, default or termination or requiring such consent is ineffective under applicable Requirements of Law or purports to prohibit the granting of a Lien over all assets of such Mortgagor or (iii) any property to the extent that such grant of a Lien on such property would result in the forfeiture of such Mortgagor's rights in the property; provided, however, that the foregoing exclusions shall not apply to the extent that any such prohibition, default or other term would be rendered ineffective pursuant to Section 9-406, 9-407, 9-408 or 9-409 of the Applicable UCC of any relevant jurisdiction or any other applicable Requirement of Law; and provided, further, that each Mortgagor shall be deemed to have granted a Lien in all its rights, title and interests in any portion of such property that does not result in any of the consequences specified above including any Proceeds of such property; and provided, further, that, immediately upon the ineffectiveness, lapse or termination of any such Requirement of Law, prohibition or other limitation giving rise to the consequences specified above, the Mortgaged Property shall include, and each Mortgagor shall be deemed to have granted a security interest in, all such rights and interests as if such Requirement of Law, prohibition or other limitation had never been in effect; or

(b) Any property constituting "Excluded Assets" as such term is defined in the Collateral Agreement.

SECTION 3 ASSIGNMENT OF PRODUCTION

3.1 Assignment of Production . As further security for the payment of the Obligations and performance of each Mortgagor's obligations under the Credit Agreement, the other Credit Documents and the Secured Transaction Documents, each Mortgagor hereby transfers, assigns, warrants and conveys to the Mortgagee for the pro rata and pari passu use and benefit of the Other Secured Persons, effective as of the Effective Date, at 7:00 A.M., local time, all Hydrocarbons that are thereafter produced from and that accrue to the Mortgaged Property, and all proceeds therefrom until the Termination Date and the release or cancellation of the Mortgage. All parties producing, purchasing or receiving any such Hydrocarbons, or having such, or proceeds therefrom, in their possession for which they or others are accountable to the Mortgagee by virtue of the provisions of this Section, are authorized and directed to treat and regard the Mortgagee as the assignee and transferee of such Mortgagor and entitled in such Mortgagor's place and stead to receive such Hydrocarbons and all proceeds therefrom; and said parties and each of them shall be fully protected in so treating and regarding the Mortgagee and shall be under no obligation to see to the application by the Mortgagee of any such proceeds or payments received by it.

3.2 Event of Default . If an Event of Default shall occur and only for so long as such event shall be continuing, after written notice is provided to a Mortgagor by the Mortgagee, and to the extent permitted by applicable Requirement of Law:

(a) All of such Mortgagor's Hydrocarbons and products thereof shall be delivered into pipelines connected with the Mortgaged Property, or to the purchaser thereof, to the credit of the Mortgagee, for its benefit and the benefit of the Other Secured Persons and all such revenues and proceeds thereof shall be paid directly to the Mortgagee, at its offices in New York, New York, with no duty or obligation of any party paying the same to inquire into the rights of the Mortgagee to receive the same, what application is made thereof, or as to any other matter;

(b) Such Mortgagor agrees to perform all such acts, and to execute all such further assignments, transfers and division orders and other instruments as may be reasonably required or desired by the Mortgagee, after receipt of a written request from the Mortgagee, in order to have said proceeds and revenues so paid to the Mortgagee and, in addition to any and all rights of a secured party under Sections 9-607 and 9-609 of the Applicable UCC, the Mortgagee is fully authorized to receive and receipt for said revenues and proceeds, to endorse and cash any and all checks and drafts payable to the order of such Mortgagor or the Mortgagee for the account of such Mortgagor received from or in connection with said revenues or proceeds and to hold the proceeds thereof in a deposit account that is subject to a Control Agreement with the Mortgagee, a Lender or other acceptable commercial bank as additional collateral securing the Obligations, and to execute transfer and division orders in the name of such Mortgagor, or otherwise, with warranties binding such Mortgagor; provided that all proceeds received by the Mortgagee pursuant to this grant and assignment shall be applied as provided in Section 5.14;

(c) The Mortgagee shall not be liable for any delay, neglect or failure to effect collection of any proceeds or to take any other action in connection therewith or hereunder, but the Mortgagee shall have the right, at its election after written notice is provided to such Mortgagor, in the name of such Mortgagor or otherwise, to prosecute and defend any and all actions or legal proceedings deemed advisable by the Mortgagee in order to collect such funds and to protect the interests of the Mortgagee and/or such Mortgagor, with all costs, expenses and attorneys' fees incurred in connection therewith being paid by such Mortgagor; and

(d) Such Mortgagor hereby appoints the Mortgagee as its attorney-in-fact to pursue any and all rights of such Mortgagor to Liens in the Hydrocarbons securing payment of proceeds of runs attributable to the Hydrocarbons, which power of attorney shall be coupled with an interest and shall be irrevocable until the Termination Date.

(e) Such Mortgagor does hereby specifically agree that third-parties shall be entitled to rely, and shall be fully protected in relying, upon any written notice by the Mortgagee that an Event of Default has occurred and is continuing for the purposes of Section 3.2 above.

3.3 No Liability of the Mortgagee in Collecting . The Mortgagee is hereby absolved from all liability for failure to enforce collection of any proceeds so assigned (and no such failure shall be deemed to be a waiver of any right of the Mortgagee or the Other Secured Persons under this Section 3) and from all other responsibility in connection therewith, except the responsibility to account to any applicable Mortgagor for funds actually received.

3.4 No Modification of Payment Obligations . Nothing herein contained shall modify, detract from, limit or otherwise alter the absolute obligation of any Mortgagor to make prompt payment of all amounts constituting Obligations when and as the same become due regardless of whether the proceeds of the As-Extracted Collateral and Hydrocarbons are sufficient to pay the same and the rights provided in accordance with the foregoing assignment provision shall be cumulative of all other security of any and every character now or hereafter existing to secure payment of the Obligations. Nothing in this Section 3 is intended to be an acceptance of collateral in satisfaction of the Obligations.

3.5 Status of Assignment . Notwithstanding the other provisions of this Section 3, the Mortgagee has agreed not to exercise its right to receive direct delivery of Hydrocarbons and payment of proceeds immediately. Rather, each party producing, purchasing or receiving Hydrocarbons may continue to make such deliveries or payments to the applicable Mortgagor until such time as such party has received notice from the Mortgagee that an Event of Default has occurred and is continuing and that such party is directed to make delivery or payment directly to the Mortgagee. The Mortgagee or any receiver appointed in judicial proceedings for the enforcement of this Mortgage shall have the right to receive all of the Hydrocarbons herein assigned and the proceeds therefrom after any Obligations has been declared due and payable in accordance with the provisions of the Credit Agreement and the other Credit Documents and to apply all of said proceeds as provided in Section 5.14 hereof. Upon any sale of the Mortgaged Property or any part thereof, whether pursuant to Section 5 or as permitted by the Credit Agreement, the Hydrocarbons thereafter produced from the property so sold, and the proceeds therefrom, shall be included in such sale and shall pass to the purchaser free and clear of the assignment contained in this Section.

SECTION 4 REPRESENTATIONS, WARRANTIES AND COVENANTS

Each Mortgagor hereby represents, warrants and covenants as follows:

4.1 Title. Mortgagor has good and defensible title to and is possessed of the Hydrocarbon Interests and has good title to the UCC Collateral. The Collateral is free of all Liens except Permitted Encumbrances.

4.2 Defend Title. This Mortgage is, and always will be kept as, a first priority Lien upon the Collateral, subject to any Permitted Encumbrances (provided that Liens permitted by Section 10.2 of the Credit Agreement may exist and attach to the Mortgaged Properties and may have whatever priority such Liens have under applicable law, provided that for the avoidance of doubt, no intent to subordinate priority of the Liens created hereby is intended or to be inferred by the existence thereof). Mortgagor further agrees that the Collateral shall remain affected and hypothecated unto and in favor of the Mortgagee until the full and final payment of the Obligations

and Mortgagor consents and agrees not to sell, alienate, encumber or deteriorate the Collateral to the prejudice of this act, in each case, except as may be permitted by the Credit Agreement or any other Credit Document. Mortgagor will not create or suffer to be created or permit to exist any Lien, security interest or charge prior or junior to or on parity with the Lien of this Mortgage upon the Collateral or any part thereof other than such Permitted Encumbrances. Mortgagor will warrant and defend the title to the Collateral against the claims and demands of all other Persons whomsoever and will maintain and preserve the Lien created hereby (and its priority) until the Termination Date. If (i) an adverse claim be made against or a cloud develop upon the title to any part of the Collateral other than a Permitted Encumbrance or (ii) any Person shall challenge the priority or validity of the Liens created by this Mortgage, then Mortgagor agrees to defend immediately against such adverse claim or take appropriate action to remove such cloud, in each case, at Mortgagor's sole cost and expense. Mortgagor further agrees that the Mortgagee may take such other action as it deems advisable to protect and preserve its interests in the Collateral, and in such event Mortgagor will indemnify the Mortgagee against any and all cost, attorneys' fees and other expenses that it may incur in defending against any such adverse claim or taking action to remove any such cloud. For the avoidance of doubt, Section 4.1 and Section 4.2 shall not restrict, and are subject to, any disposition permitted by Section 10.4 of the Credit Agreement.

4.3 Not a Foreign Person. Mortgagor is not a "foreign person" within the meaning of the Code, Sections 1445 and 7701 (i.e., Mortgagor is not a non-resident alien, foreign corporation, foreign partnership, foreign trust or foreign estate as those terms are defined in the Code and any regulations promulgated thereunder).

4.4 Revenue and Cost Bearing Interest. Mortgagor's ownership of the Hydrocarbon Interests and the undivided interests therein as specified on Exhibit A (if specified) will, after giving full effect to all Permitted Encumbrances, afford Mortgagor not less than those net interests (expressed as a fraction, percentage or decimal) in the production from or that is allocated to such Hydrocarbon Interest specified as net revenue interest (as specified on Exhibit A (if specified)) on attached Exhibit A and will cause Mortgagor to bear not more than that portion (expressed as a fraction, percentage or decimal), specified as working interest on attached Exhibit A (if specified), of the costs of drilling, developing and operating the wells identified on attached Exhibit A except to the extent of any proportionate corresponding increase in the net revenue interest.

SECTION 5 RIGHTS AND REMEDIES

5.1 Event of Default. An Event of Default under the Credit Agreement shall be an "Event of Default" under this Mortgage.

5.2 Foreclosure and Sale.

(a) If an Event of Default shall occur and be continuing, to the extent provided by applicable Requirements of Law, the Mortgagee shall have the right and option to proceed with foreclosure and to sell all or any portion of such Mortgaged Property at one or more sales, as an entirety or in parcels, at such place or places in otherwise such manner and upon such notice as may be required by law, or, in the absence of any such requirement, as the Mortgagee may deem appropriate, and to make conveyance to the purchaser or

purchasers. Where the Mortgaged Property is situated in (or offshore of) more than one jurisdiction, notice as above provided shall be posted and filed in all such jurisdictions (if such notices are required by law), and all such Mortgaged Property may be sold in any such jurisdiction and any such notice shall designate the jurisdiction where such Mortgaged Property is to be sold. Nothing contained in this Section 5.2 shall be construed so as to limit in any way any rights to sell the Mortgaged Property or any portion thereof by private sale if and to the extent that such private sale is permitted under the Requirements of Law of the applicable jurisdiction or by public or private sale after entry of a judgment by any court of competent jurisdiction so ordering. Each Mortgagor hereby irrevocably appoints, effective upon the occurrence and during the continuance of an Event of Default, the Mortgagee, with full power of substitution, to be the attorney-in-fact of such Mortgagor and in the name and on behalf of such Mortgagor to execute and deliver any deeds, transfers, conveyances, assignments, assurances and notices that such Mortgagor ought to execute and deliver and do and perform any and all such acts and things that such Mortgagor ought to do and perform under the covenants herein contained, and generally to use the name of such Mortgagor in the exercise of all or any of the powers hereby conferred on the Mortgagee. At any such sale: (i) whether made under the power herein contained or any other legal enactment, or by virtue of any judicial proceedings or any other legal right, remedy or recourse, it shall not be necessary for the Mortgagee to be physically present at, or to have constructive possession of, the Mortgaged Property (each Mortgagor hereby covenanting and agreeing to deliver any portion of the Mortgaged Property not actually or constructively possessed by the Mortgagee immediately upon the Mortgagee's demand) and the title to and right of possession of any such property shall pass to the purchaser thereof as completely as if the same had been actually present and delivered to purchaser at such sale, (ii) each instrument of conveyance executed by the Mortgagee shall contain a general warranty of title, binding upon the applicable Mortgagor and its successors and assigns, (iii) each and every recital contained in any instrument of conveyance made by the Mortgagee shall conclusively establish the truth and accuracy of the matters recited therein, including, without limitation, nonpayment of the Obligations, advertisement and conduct of such sale in the manner provided herein and otherwise by law and appointment of any successor agent hereunder, (iv) any and all prerequisites to the validity thereof shall be conclusively presumed to have been performed, (v) the receipt of the Mortgagee or of such other party or officer making the sale shall be a sufficient discharge to the purchaser or purchasers for its purchase money and no such purchaser or purchasers, or its assigns or personal representatives, shall thereafter be obligated to see to the application of such purchase money, or be in any way answerable for any loss, misapplication or nonapplication thereof, (vi) to the fullest extent permitted by law, each Mortgagor shall be completely and irrevocably divested of all of its right, title, interest, claim and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against each Mortgagor, and against any and all other persons claiming or to claim the property sold or any part thereof, by, through or under each such Mortgagor, and (vii) to the extent and under such circumstances as are permitted by law, the Mortgagee may be a purchaser at any such sale, and shall have the right, after paying or accounting for all costs of said sale or sales, to credit the amount of the bid upon the amount of the Obligations (in the order of priority set forth in Section 5.14) in lieu of cash payment.

(b) If an Event of Default shall occur and be continuing, then (i) the Mortgagee shall be entitled to all of the rights, powers and remedies afforded a secured party by the Applicable UCC with reference to the UCC Collateral and/or (ii) the Mortgagee may proceed as to any Collateral in accordance with the rights and remedies granted under this Mortgage or applicable law in respect of the Collateral. Such rights, powers and remedies shall be cumulative and in addition to those granted to the Mortgagee under any other provision of this Mortgage or under any other Credit Document. Written notice mailed to a Mortgagor as provided herein at least ten (10) days prior to the date of public sale of any part of the Collateral owned by such Mortgagor that is personal property subject to the provisions of the Applicable UCC, or prior to the date after which private sale of any such part of the Collateral will be made, shall constitute reasonable notice.

5.3 Substitute Agents. The Mortgagee may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale held by the Mortgagee, including the posting of notices and the conduct of sale, but in the name and on behalf of the Mortgagee. If the Mortgagee shall have given notice of sale hereunder, any successor, substitute mortgagee, or agent thereafter appointed may complete the sale and the conveyance of the property pursuant thereto as if such notice had been given by the successor, substitute mortgagee, or agent conducting the sale.

5.4 Judicial Foreclosure; Receivership. Upon the occurrence of and during the continuance of an Event of Default, the Mortgagee shall have the right and power, but not the obligation, to proceed by a suit or suits in equity or at law, whether for the specific performance of any covenant or agreement herein contained or in aid of the execution of any power herein granted, or for any foreclosure hereunder or for the sale of the Collateral under the judgment or decree of any court or courts of competent jurisdiction, or for the appointment of a receiver pending any foreclosure hereunder or the sale of the Collateral under the order of a court or courts of competent jurisdiction or under executory or other legal process, or for the enforcement of any other appropriate legal or equitable remedy.

5.5 Foreclosure for Installments. Upon the occurrence of and during the continuance of an Event of Default, the Mortgagee shall also have the option to proceed with foreclosure in satisfaction of any installments of the Obligations that have not been paid when due either through the courts or by proceeding with foreclosure in satisfaction of the matured but unpaid portion of the Obligations as if under a full foreclosure, conducting the sale as herein provided and without declaring the entire principal balance and accrued interest and other Obligations then due; such sale may be made subject to the unmatured portion of the Obligations, and any such sale shall not in any manner affect the unmatured portion of the Obligations, but as to such unmatured portion of the Obligations this Mortgage shall remain in full force and effect just as though no sale had been made hereunder. It is further agreed that upon the occurrence of and during the continuance of an Event of Default, several sales may be made hereunder without exhausting the right of sale for any unmatured part of the Obligations, it being the purpose hereof to provide for a foreclosure and sale of the security for any matured portion of the Obligations without exhausting the power to foreclose and sell the Mortgaged Property for any subsequently maturing portion of the Obligations.

5.6 Separate Sales. Upon the occurrence of and during the continuance of an Event of Default, the Collateral may be sold in one or more parcels and to the extent permitted by applicable Requirement of Law in such manner and order as the Mortgagee, in its sole discretion, may elect, it being expressly understood and agreed that the right of sale arising out of any Event of Default shall not be exhausted by any one or more sales.

5.7 Possession of Mortgaged Property. If an Event of Default shall have occurred and be continuing, then, to the extent permitted by applicable law, the Mortgagee shall have the right and power, but not the obligation, to enter into and upon and take possession of all or any part of the Collateral in the possession of any Mortgagor, its successors or assigns, or its or their agents or servants, and may exclude each Mortgagor, its successors or assigns, and all persons claiming under any Mortgagor, and its or their agents or servants wholly or partly therefrom; and, holding the same, the Mortgagee may use, administer, manage, operate and control the Collateral and conduct the business thereof to the same extent as the applicable Mortgagor, its successors or assigns, might at the time do and may exercise all rights and powers of such Mortgagor, in the name, place and stead of such Mortgagor, or otherwise as the Mortgagee shall deem best, in its sole discretion.

5.8 Occupancy After Foreclosure. In the event there is a foreclosure sale hereunder and at the time of such sale any Mortgagor or any Mortgagor's heirs, devisees, representatives, successors or assigns or any other person claiming any interest in the Collateral by, through or under any Mortgagor, are occupying or using the Mortgaged Property or any part thereof, each and all shall immediately become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day to day, terminable at the will of either the landlord or tenant, at a reasonable rental per day based upon the value of the property occupied, such rental to be due daily to the purchaser; to the extent permitted by applicable law, the purchaser at such sale shall, notwithstanding any language herein apparently to the contrary, have the sole option to demand immediate possession following the sale or to permit the occupants to remain as tenants at will. In the event the tenant fails to surrender possession of said property upon demand, the purchaser shall be entitled to institute and maintain a summary action for possession of the Mortgaged Property (such as an action for forcible entry and detainer) in any court having jurisdiction.

5.9 Remedies Cumulative, Concurrent and Nonexclusive. Every right, power, privilege and remedy herein given to the Mortgagee shall be cumulative and in addition to every other right, power and remedy herein specifically given or now or hereafter existing in equity, at law or by statute (including specifically those granted by the Applicable UCC in effect and applicable to the Collateral or any portion thereof). Each and every right, power, privilege and remedy whether specifically herein given or otherwise existing may be exercised from time to time and so often and in such order as may be deemed expedient by the Mortgagee, and the exercise, or the beginning of the exercise, or the abandonment, of any such right, power, privilege or remedy shall not be deemed a waiver of the right to exercise, at the same time or thereafter any other right, power, privilege or remedy. No delay or omission by the Mortgagee or any Other Secured Person in the exercise of any right, power or remedy shall impair any such right, power, privilege or remedy or operate as a waiver thereof or of any other right, power, privilege or remedy then or thereafter existing.

5.10 Discontinuance of Proceedings. If the Mortgagee shall have proceeded to invoke any right, remedy or recourse permitted hereunder or under any Credit Document or available at law and shall thereafter elect to discontinue or abandon same for any reason, then it shall have the unqualified right so to do and, in such an event, the parties shall be restored to their former positions with respect to the Obligations, this Mortgage, the Credit Agreement, the Collateral and otherwise, and the rights, remedies, recourses and powers of the Mortgagee shall continue as if same had never been invoked.

5.11 No Release of Obligations. No Mortgagor, Guarantor or other person hereafter obligated for payment of all or any part of the Obligations shall be relieved of such obligation, to the extent the Obligations remain due and owing, by reason of: (a) the release, regardless of consideration, of the Mortgaged Property or any portion thereof or interest therein or the addition of any other property to the Mortgaged Property; (b) any agreement or stipulation between any subsequent owner of the Mortgaged Property and the Mortgagee extending, renewing, rearranging or in any other way modifying the terms of this Mortgage without first having obtained the consent of, given notice to or paid any consideration to any Mortgagor, any Guarantor or such other Person, and in such event each Mortgagor, each Guarantor and all such other Persons shall continue to be liable to make payment according to the terms of any such extension or modification agreement unless expressly released and discharged in writing by the Mortgagee; or (c) by any other act or occurrence save and except upon the Termination Date.

5.12 Release of and Resort to Collateral. The Mortgagee may release, regardless of consideration, any part of the Collateral without, as to the remainder, in any way impairing, affecting, subordinating or releasing the Lien created in or evidenced by this Mortgage or its stature as a first and prior Lien, in and to the Collateral, provided that Permitted Encumbrances may exist, and without in any way releasing or diminishing the liability of any Person liable for the repayment of the Obligations. For payment of the Obligations, the Mortgagee may resort to any other security therefor held by the Mortgagee in such order and manner as the Mortgagee may elect.

5.13 Waiver of Redemption, Notice and Marshalling of Assets, Etc. To the fullest extent permitted by law, each Mortgagor hereby irrevocably and unconditionally waives and releases (a) all benefits that might accrue to such Mortgagor by virtue of any present or future moratorium law or other law exempting the Collateral from attachment, levy or sale on execution or providing for any appraisal, valuation, stay of execution, exemption from civil process, redemption or extension of time for payment and (b) any right to a marshalling of assets or a sale in inverse order of alienation. If any law referred to in this Mortgage and now in force, of which any Mortgagor or its successor or successors might take advantage despite the provisions hereof, shall hereafter be repealed or cease to be in force, such law shall thereafter be deemed not to constitute any part of the contract herein contained or to preclude the operation or application of the provisions hereof. If the laws of any state that provides for a redemption period do not permit the redemption period to be waived, the redemption period shall be specifically reduced to the minimum amount of time allowable by statute.

5.14 Application of Proceeds. The proceeds of any sale of the Mortgaged Property or any part thereof and all other monies received in any proceedings for the enforcement hereof or otherwise, whose application has not elsewhere herein been specifically provided for, shall be applied:

(a) First, to the payment of all reasonable expenses incurred by the Mortgagee incident to the enforcement of this Mortgage, the Credit Agreement or any other Credit Document to collect any portion of the Obligations, including expenses of any entry or taking of possession, of any sale, of advertisement thereof, and of conveyances, and court costs, compensation of agents and employees, a reasonable commission to the keeper, if any, and reasonable legal fees, and to the payment of all other reasonable charges, expenses, liabilities and advances incurred or made by the Mortgagee under this Mortgage or in executing any trust or power hereunder; and

(b) Second, as set forth in Section 11.11 of the Credit Agreement.

5.15 Resignation of Operator. In addition to all rights and remedies under this Mortgage, at law and in equity, if any Event of Default shall occur and be continuing and the Mortgagee shall exercise any remedies under this Mortgage with respect to any portion of the Mortgaged Property (or any Mortgagor shall transfer any Mortgaged Property “in lieu of” foreclosure) whereupon such Mortgagor is divested of its title to any of the Collateral, the Mortgagee shall have the right to request that any operator of any Mortgaged Property that is either a Mortgagor or any Affiliate of a Mortgagor to resign as operator under the joint operating agreement applicable thereto, and no later than 60 days after receipt by such Mortgagor of any such request, such Mortgagor shall resign (or, to the extent it is able to do so, cause such other Person to resign) as operator of such Collateral.

5.16 Indemnity. THE INDEMNIFIED PARTIES SHALL NOT BE LIABLE, IN CONNECTION WITH ANY ACTION TAKEN, FOR ANY LOSS SUSTAINED BY ANY MORTGAGOR RESULTING FROM AN ASSERTION THAT THE MORTGAGEE HAS RECEIVED FUNDS FROM THE PRODUCTION OF HYDROCARBONS CLAIMED BY THIRD PERSONS OR ANY ACT OR OMISSION OF ANY INDEMNIFIED PARTY IN ADMINISTERING, MANAGING, OPERATING OR CONTROLLING THE MORTGAGED PROPERTY **INCLUDING SUCH LOSS THAT MAY RESULT FROM THE ORDINARY NEGLIGENCE OF AN INDEMNIFIED PARTY** UNLESS SUCH LOSS IS CAUSED BY THE WILLFUL MISCONDUCT, BAD FAITH OR GROSS NEGLIGENCE OF THE INDEMNIFIED PARTY SEEKING INDEMNITY OR ANY OF ITS RELATED PARTIES. NO INDEMNIFIED PARTY SHALL BE OBLIGATED TO PERFORM OR DISCHARGE ANY OBLIGATION, DUTY OR LIABILITY OF ANY MORTGAGOR. EACH MORTGAGOR AGREES TO PAY, AND TO SAVE THE INDEMNIFIED PARTIES HARMLESS FROM, ANY AND ALL LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES OR DISBURSEMENTS OF ANY KIND OR NATURE WHATSOEVER WITH RESPECT TO THE EXECUTION, DELIVERY, ENFORCEMENT, PERFORMANCE AND ADMINISTRATION OF THIS MORTGAGE TO THE EXTENT THE BORROWER WOULD BE REQUIRED TO DO SO PURSUANT TO SECTION 13.5 OF THE CREDIT AGREEMENT. THE LIABILITIES OF ANY MORTGAGOR AS SET FORTH IN THIS SECTION 5.16 SHALL SURVIVE THE TERMINATION OF THIS MORTGAGE.

5.17 Failure to Perform. Each Mortgagor agrees that if it fails to perform any act or to take any action that it is required to perform or take hereunder or pay any money that such Mortgagor is required to pay hereunder, the Mortgagee, in such Mortgagor’s name or its or their

own name or names, may, but shall not be obligated to, perform or cause to perform such act or take such action or pay such money.

SECTION 6
[RESERVED].

SECTION 7
MISCELLANEOUS

7.1 Releases.

(a) Full Release. On the Termination Date, the Mortgagee shall forthwith cause a full release and termination of this Mortgage to be entered upon the record at the expense of the applicable Mortgagor and shall execute and deliver or cause to be executed and delivered such instruments of satisfaction and reassignment as may be reasonably necessary or desirable for the release of the Liens created hereby on the Mortgaged Property. Other than as set forth in the foregoing sentence, this Mortgage shall remain and continue in full force and effect and be binding in accordance with and to the extent of its terms upon each Mortgagor and the successors and assigns thereof and shall inure to the benefit of the Mortgagee and the Other Secured Persons and their respective successors, indorsees, transferees and assigns; notwithstanding that from time to time prior to the Termination Date, any Mortgagor may be free from any Obligations.

(b) Partial Release. The Mortgagee, at the request and sole expense of a Mortgagor, shall promptly execute and deliver to such Mortgagor all releases, reconveyances or other documents reasonably necessary or desirable for the release of the Liens created hereby on the Mortgaged Property, which shall include, without limitation, the agreement of the Mortgagee (on behalf of itself and on behalf of the Other Secured Persons) to release the security interests in, and the Liens on, the Collateral granted herein and created hereby, (i) upon any Disposition by such Mortgagor of any Mortgaged Property that is permitted under the Credit Agreement (other than to a Guarantor) and (ii) to the extent that the first sentence of Section 13.17(a) of the Credit Agreement provides for such release with respect to the Mortgaged Property.

(c) Possession of Notes. Each Mortgagor acknowledges and agrees that possession of any Note (or any replacements of any said Note or other instrument evidencing any part of the Obligations) at any time by such Mortgagor or any other Credit Party shall not in any manner extinguish the Obligations or this Mortgage, and such Mortgagor shall have the right to issue and reissue any of the Notes from time to time as its interest or as convenience may require, without in any manner extinguishing or affecting the Obligations or the Lien of this Mortgage.

7.2 Severability. If any provision hereof is invalid or unenforceable in any jurisdiction, the other provisions hereof shall remain in full force and effect in such jurisdiction and the remaining provisions hereof shall be liberally construed in favor of the Mortgagee and the Other Secured Persons in order to effectuate the provisions hereof. The invalidity or unenforceability of

any provision hereof in any jurisdiction shall not affect the validity or enforceability of any such provision in any other jurisdiction.

7.3 Successors and Assigns. The terms used to designate any party or group of persons shall be deemed to include the respective heirs, legal representatives, successors and permitted assigns of such Persons.

7.4 Satisfaction of Prior Encumbrance. To the extent that proceeds of the Credit Agreement are used to pay indebtedness secured by any outstanding Lien against the Mortgaged Property then the parties agree that: (a) such proceeds have been advanced at such Mortgagor's request, and (b) the Mortgagee and the Lenders shall be subrogated to any and all rights and Liens owned by any owner or holder of such outstanding Liens, irrespective of whether said Liens are or have been released. It is expressly understood that, in consideration of the payment of such other indebtedness, each Mortgagor hereby waives and releases all demands and causes of action for offsets and payments to, upon and in connection with the said indebtedness. This Mortgage is made with full substitution and subrogation of the Mortgagee and its successors and assigns in and to all covenants and warranties by others heretofore given or made in respect of the Mortgaged Property or any part thereof.

7.5 Application of Payments to Certain Obligations. If any part of the Obligations cannot be lawfully secured by this Mortgage or if any part of the Collateral cannot be lawfully subject to the Lien hereof to the full extent of the Obligations, then all payments made shall be applied on said Obligations first in discharge of that portion thereof that is not secured by this Mortgage.

7.6 Nature of Covenants. The covenants and agreements herein contained shall constitute covenants running with the land and interests covered or affected hereby and shall be binding upon the heirs, legal representatives, successors and assigns of the parties hereto.

7.7 Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the Credit Agreement (and notice to any Mortgagor shall be made in the manner for providing notice to and in care of the Borrower).

7.8 Expenses. Each Mortgagor agrees to pay any and all reasonable and documented out of pocket expenses (including all reasonable fees and disbursements of counsel) that may be paid or incurred by the Mortgagee in administering, enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, any Mortgagor under this Mortgage to the extent the Borrower would be required to do so pursuant to Section 13.5 of the Credit Agreement.

7.9 Counterparts. This Mortgage is being executed in several counterparts, all of which are identical, except that to facilitate recordation, if the Mortgaged Property is situated in (or offshore of) more than one parish, descriptions of only those portions of the Mortgaged Property located in (or offshore of) the parish in which a particular counterpart is recorded may be attached as Exhibit A to such counterpart. Each of such counterparts shall for all purposes be deemed to be an original and all such counterparts shall together constitute but one and the same instrument.

7.10 Governing Law. Insofar as permitted by otherwise applicable law, this Mortgage shall be construed under and governed by the laws of the State of Louisiana.

7.11 Financing Statement; Fixture Filing. This Mortgage shall be effective as a financing statement filed as a fixture filing with respect to all Fixtures included within the Mortgaged Property may be filed or filed for record in the real estate records, uniform commercial code records, mortgage records or other appropriate records of each jurisdiction where any part of the Mortgaged Property (including said fixtures) is situated (or is offshore of). This Mortgage shall also be effective as a financing statement covering As-Extracted Collateral (including oil and gas and all other substances of value that may be extracted from the ground) and accounts financed at the wellhead or minehead of wells or mines located on the properties subject to the Applicable UCC and is to be filed for record in the real estate records, uniform commercial code records or other appropriate records of each jurisdiction where any part of the Mortgaged Property is situated (or is offshore of).

7.12 Filing of Financing Statements. Pursuant to the Applicable UCC, each Mortgagor authorizes the Mortgagee, its counsel or its representative, at any time and from time to time, to file or record financing statements, continuation statements, amendments thereto and other filing or recording documents or instruments with respect to the Mortgaged Property without the signature of such Mortgagor in such form and in such offices as the Mortgagee reasonably determines appropriate to perfect the security interests of the Mortgagee under this Mortgage. Each Mortgagor also authorizes the Mortgagee, its counsel or its representative, at any time and from time to time, to file or record such financing statements that describe the collateral covered thereby as “all assets of the Mortgagor”, “all personal property of the Mortgagor” or words of similar effect. Each Mortgagor shall pay all costs associated with the filing of such instruments.

7.13 Limit on Obligations and Collateral. It is the intention of each Mortgagor, the Mortgagee and the Other Secured Persons that this Mortgage not constitute a fraudulent transfer or fraudulent conveyance under any state or federal law that may be applied hereto. Each Mortgagor and, by the Mortgagee's acceptance hereof, the Mortgagee and the Other Secured Persons hereby acknowledge and agree that, notwithstanding any other provision of this Mortgage, the indebtedness of each Mortgagor secured hereby shall be limited to the maximum amount of indebtedness that can be incurred or secured by such Mortgagor without rendering this Mortgage voidable under applicable law relating to fraudulent conveyances or fraudulent transfers.

7.14 References. The words "herein," "hereof," "hereunder" and other words of similar import when used in this Mortgage refer to this Mortgage as a whole, and not to any particular article, section or subsection. Any reference herein to a Section shall be deemed to refer to the applicable Section of this Mortgage unless otherwise stated herein. Any reference herein to an exhibit or schedule shall be deemed to refer to the applicable exhibit or schedule attached hereto unless otherwise stated herein.

SECTION 8 LOUISIANA PROVISIONS

8.1 Principles of Construction. In the event of any inconsistencies between the terms and conditions of this Section 8 and the other terms and conditions of this Mortgage, the terms and conditions of this Section 8 shall control and be binding. In the event of any conflict between this Section 8 and the Credit Agreement, the provisions hereof shall be controlling as necessary to create, preserve, perfect and maintain a valid mortgage lien and security interest upon the Collateral, and to provide for the enforcement and foreclosure of the same; otherwise the provision of the Credit Agreement shall be controlling.

8.2 Future Advances. This Mortgage may secure future advances, and in accordance with Article 3298 of the Louisiana Civil Code, and as to all Obligations, present and future, secured by this Mortgage, notwithstanding the nature of such obligations or the date they arise, this Mortgage has effect between the parties from the time this Mortgage is executed, and as to third persons from the time this Mortgage is filed for registry.

8.3 Maximum Amount Secured. The maximum amount of Obligations that may be outstanding at any time and from time to time that this Mortgage secures shall be \$2,000,000,000 (the "Maximum Amount").

8.4 Alienation. The Mortgaged Property is to remain so specially mortgaged, affected and hypothecated unto and in favor of Mortgagee for the benefit of itself and the Other Secured

Persons subject to the terms and conditions of Section 7.1, and each Mortgagor is herein and hereby bound and obligated not to sell, alienate, mortgage or encumber the Mortgaged Property, or any part thereof, to the prejudice of this act, and not to permit or suffer the same to be so sold, alienated, deteriorated or encumbered, subject in each case to Permitted Encumbrances and any disposition permitted by Section 10.4 of the Credit Agreement.

8.5 Confession of Judgment. For purposes of foreclosure under Louisiana executory process procedures, each Mortgagor hereby acknowledges and confesses judgment in favor of the Mortgagee and the Other Secured Persons for the full amount of the Obligations.

8.6 Additional Louisiana Remedies. Upon the occurrence of an Event of Default, the Mortgagee may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against any Mortgagor and in and to the Mortgaged Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as the Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of the Mortgagee: (i) institute proceedings for the complete foreclosure of this Mortgage in which case the Mortgaged Property may be sold for cash or upon credit in one or more parcels under ordinary or executory process, at the Mortgagee's sole option, and with or without appraisal, appraisal being expressly waived; or (ii) to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Mortgage for the portion of the Obligations then due and payable, subject to the continuing lien of this Mortgage for the balance of the Obligations not then due; or (iii) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained in this Mortgage, the Credit Agreement or the other Credit Documents; or (iv) recover judgment on the Obligations either before, during or after any proceedings for the enforcement of this Mortgage; or (v) apply for the appointment of a trustee, receiver, liquidator or conservator of the Mortgaged Property, without regard for the adequacy of the security for the Obligations and without regard for the solvency of any Mortgagor or of any person, firm or other entity liable for the payment of the Obligations; or (vi) sell the UCC Collateral or any part thereof at public or private sale, for cash, upon credit or for future delivery, at such price or prices as the Mortgagee may deem satisfactory, and in connection with any such sale, each Mortgagor hereby specifically waives all rights of redemption, stay or appraisal which it has or may have under any law now existing or hereafter adopted and agrees that 10 days prior written notice of the time and place of any such sale or other intended disposition of any of the UCC Collateral constitutes "reasonable notification" within the meaning of the Uniform Commercial Code, except that shorter or no notice shall be reasonable as to any UCC Collateral which is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market; or (vii) pursue such other remedies as the Mortgagee may have under applicable law, including, without limitation, as a secured party under the Uniform Commercial Code.

8.7 Keeper. In the event the Mortgaged Property, or any part thereof, is seized as an incident to an action for the recognition or enforcement of this Mortgage by executory process, ordinary process, sequestration, writ of fieri facias or otherwise, each Mortgagor and the Mortgagee agree that the court issuing any such order shall, if petitioned for by Mortgagee, direct the applicable sheriff to appoint as a keeper of the Mortgaged Property, Mortgagee or

any agent designated by Mortgagee or any person named by the Mortgagee at the time such seizure is effected. This designation is pursuant to Louisiana Revised Statutes 9:5131, et seq., and 9:5136, et seq., as the same may be amended, and Mortgagee shall be entitled to all the rights and benefits afforded thereunder. It is hereby agreed that the keeper shall be entitled to receive as compensation the reasonable costs and expenses incurred in the administration or preservation of the Mortgaged Property. The designation of keeper made herein shall not be deemed to require Mortgagee to provoke the appointment of such a keeper.

8.8 Waivers. Each Mortgagor waives in favor of the Mortgagee and the Other Secured Persons any and all homestead exemptions and other exemptions of seizure or otherwise to which such Mortgagor is or may be entitled under the constitution and statutes of the State of Louisiana insofar as the Mortgaged Property is concerned. Each Mortgagor further waives: (a) the benefit of appraisal as provided in Louisiana Code of Civil Procedure Articles 2332, 2336, 2723 and 2724, and all other laws conferring the same; (b) the notice of seizure required by Louisiana Code of Civil Procedure Articles 2293 and 2721; (c) the three days delay provided by Louisiana Code of Civil Procedure Articles 2331 and 2722; and (d) the benefit of the other provisions of Louisiana Code of Civil Procedure Articles 2331, 2722 and 2723, not specifically mentioned above.

8.9 Authentic Evidence. Any and all declarations of fact made by authentic act before a notary public in the presence of two competent witnesses by a person declaring that such facts lie within his knowledge, shall constitute authentic evidence of such facts for the purpose of executory process. Each Mortgagor specifically agrees that such an affidavit by a representative of Mortgagee as to the existence, amount, terms, and maturity of the Obligations and of a default thereunder shall, to the extent not prohibited by applicable law, constitute authentic evidence of such facts for the purpose of executory process.

8.10 Louisiana Defined Terms.
