Dear Mr. Betz:

Your letter dated September 25, 2025, submitting Surety Change Bond Rider, to be attached to and form a part of Outer Continental Shelf (OCS) Mineral Lessee's or Operator's Supplemental Bond No SUR0028004, in the amount of \$675,000, was received by our office on November 18, 2025. This bond, conditioned to cover Right-of-Way OCS-G 07122, was executed on March 31, 2016, with Arrowhead Gulf Coast Pipeline, LLC as principal and Argonaut Insurance Company as surety.

We are unable to accept this rider because a surety cannot be changed with a rider. The new surety would need to submit a replacement bond to do so.

Please refer to the attached guidance documents for the requirements for submission of new bonds and of riders. This submittal did not have most of the required information on the cover letter or on the rider. Please follow that guidance.

Additionally, we now accept emailed electronic submittals and no longer require hard copies of paperwork (unless requested by BOEM).

Should you need further assistance, please contact me at (504) 736-5774 or boemgulffinancialassurance@boem.gov.

Sincerely,
