Dear Ms. Rios:

Your letter dated March 3, 2026, requesting termination of the period of liability and cancellation of Outer Continental Shelf (OCS) Mineral Lessee's and Operator's Bond No. 6195975, in the amount of \$3,000,000, was received by our office on that same date. This bond, conditioned to cover the principal's leasehold interest held now or hereafter in the Gulf of America, was executed on April 1, 2023, with EOG Resources, Inc. as principal and SAFECO Insurance Company of America as surety.

We are unable to grant this request because there is liability still remaining on at least 2 leases. When liability has been assessed to be \$0 on all leases by the Bureau of Safety and Environmental Enforcement, you may resubmit your request for termination.

The bond cannot be cancelled until seven years after the termination of the lease, six years after completion of all bonded obligations, or at the conclusion of any appeals or litigation related to your bonded obligations, whichever is the latest. When these requirements have been met you may submit a written cancellation request.

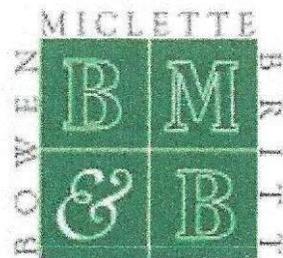

If you require further assistance, please contact Kathleen Lee at (504) 736-5774 or boemgulffinancialassurance@boem.gov.

Sincerely,
