Subject: **Production Casing Design Certification – 9-5/8” Tieback (Rev. 1)**
Green Canyon 300 #4 (OCS-G-22939)

Dear Mr. Moore,

Thank you for allowing us to participate in your planning efforts for the subject well. The focus of this letter is to certify the subject casing design is compliant with applicable federal government regulations. After a detailed review, *VIKING Engineering verifies the planned casing program is in compliance with CFR 30 §250.420(a)(6) and is suitable for the purpose for which it is intended under expected wellbore conditions and is appropriate for permitting.*

This certification is applicable for the conditions described by the operator and analyzed by VIKING Engineering as part of the certification process. VIKING’s analysis is summarized in the attached Engineering Supplement.

Analyzed and certified by:
