

TEMPORARY WELLBORE ABANDONMENT CERTIFICATION TWO INDEPENDENT BARRIERS

Well Name	Davy Jones #1 South Marsh Island Block 230 #1 ST01 OCS-G-26013
Program Description	Temporary Abandonment of Wellbore
Program Revision Number / Date	MMR-U210-001 Rev A / 14 January 2014
Well Examiner	Shaikh Rahman

The planned temporary wellbore abandonment of Davy Jones #1, South Marsh Island Block 230 #1 ST01 meets the intent of 30 CFR 250.1721 (h) and 250.1715. There will be at least two independent barriers, including one mechanical barrier across each flow path during abandonment activities and the plugs meet the intent of the table in CFR 250.1715. Note that 250.1715(a)(3)(iii) is not strictly met.

Should there be any deviations from the planned temporary well abandonment procedure or stated purpose the Examiner must be contacted to check the potential implications.
