"Outer Continental Shelf Environmental Assessment Program Final Reports of Principal Investigators" ("OCSEAP Final Reports") continues the series entitled "Environmental Assessment of the Alaskan Continental Shelf Final Reports of Principal Investigators."

It is suggested that sections of this publication be cited as follows:

Brueggeman, J. J., and R. A. Grotefendt. 1984. Seal/sea lion and walrus surveys of the Navarin Basin, Alaska. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 37:1-229

RU-625

Cummings, W. C., D. V. Holliday, and B. J. Lee. 1984. Potential impacts of man-made noise on ringed seals: vocalizations and reactions. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 37:95-230

RU-636

Fay, F. H., B. P. Kelly, P. I. Gehrich, J. L. Sease, and A. A. Hoover. 1984. Modern populations, migrations, demography, trophics, and historical status of the Pacific walrus. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 37:231-376

RU-611

Frost, K. J., L. F. Lowry, and J. J. Burns. 1983. Distribution of marine mammals in the coastal zone of the eastern Chukchi Sea during summer and autumn. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 37:377-470

RU-613

Krogman, B. D., H. W. Graham, R. M. Sonntag, and R. G. Punsly. 1979. Early spring distribution, density, and abundance of the Pacific walrus (Odobenus rosmarus) in 1976. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 37:471-525

RU-614

Schneider, K. B. 1976. Assessment of the distribution and abundance of sea otters along the Kenai Peninsula, Kamishak Bay and the Kodiak Archipelago. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 37:527-626

RU-240

Schneider, K. B. 1976. Distribution and abundance of sea otters in southwestern Bristol Bay. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 37:627-694

RU-21

OCSEAP Final Reports are published by the U.S. Department of Commerce, National Oceanic and Atmospheric Administration, National Ocean Service, Office of Oceanography and Marine Assessment, Ocean Assessments Division, Alaska Office, Anchorage, and primarily funded by the Minerals Management Service, U.S. Department of the Interior, through interagency agreement.

Requests for receipt of OCSEAP Final Reports on a continuing basis should be addressed to:

The facts, conclusions, and issues appearing in these reports are based on research results of the Outer Continental Shelf Environmental Assessment Program (OCSEAP), which is managed by the **National** Oceanic and Atmospheric Administration, U.S. Department of Commerce, and funded (wholly or in part) by the Minerals Management Service, U.S. Department of the Interior, through an Interagency Agreement.

Mention of a commercial company or product does not constitute endorsement by the National Oceanic and Atmospheric Administration. Use for publicity or advertising purposes of information from this publication concerning proprietary products or the tests of such products is not authorized.

Content of these reports has not been altered from that submitted by the Principal Investigators. In some instances, minor grammatical, spelling, and punctuation errors have been corrected to improve readability; some figures, charts, and tables have been enhanced to improve clarity in reproduction.
