“Outer Continental Shelf Environmental Assessment Program Final Reports of Principal Investigators” (“OCSEAP Final Reports”) continues the series entitled “Environmental Assessment of the Alaskan Continental Shelf Final Reports of Principal Investigators.”

It is suggested that reports in this volume be cited as follows:

- Armstrong, D. A., J. L. Armstrong, G. Jensen, R. Palacios, and G. Williams. 1987. Distribution, abundance, and biology of blue king and Korean hair crabs around the Pribilof Islands. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 67:1-278.
- Feder, H. M., and S. C. Jewett. 1977. Distribution, abundance, and diversity of the epifaunal benthic organisms in Alitak and Ugak bays, Kodiak Island, Alaska. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 67:279-356.
- Feder, H. M., and S. C. Jewett. 1978. Distribution and abundance of some epibenthic invertebrates of the northeastern Gulf of Alaska with notes on the feeding biology of selected species. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 67: 357-433.
- Karinen, J. F., S. D. Rice, and M. M. Babcock. 1985. Reproductive success in Dungeness crab (*Cancer magister*) during long-term exposures to oil-contaminated sediments. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 67: 435-461.
- Wolotira, R. J., Jr., J. H. Bowerman, Jr., and E. Munk. 1983. Distribution and abundance of decapod larvae of the Kodiak shelf. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 67:463-628.

OCSEAP Final Reports are published by the U.S. Department of Commerce, National Oceanic and Atmospheric Administration, National Ocean Service, Ocean Assessments Division, Alaska Office, Anchorage, and primarily funded by the Minerals Management Service, U.S. Department of “the Interior, through interagency agreement.

Requests for receipt of OCSEAP Final Reports
on a continuing basis should be addressed to:

NOAA-OMA-OAD
Alaska Office
Federal Bldg., U.S. Courthouse Room A13
222 West Eighth Ave., #56
Anchorage, AK 99513-7543

The facts, conclusions, and issues appearing in these reports are based on research results of the Outer Continental Shelf Environmental Assessment Program (OCSEAP), which is managed by the National Oceanic and Atmospheric Administration, U.S. Department of Commerce, and funded (wholly or in part) by the Minerals Management Service, U.S. Department of the Interior, through an Interagency Agreement.

Mention of a commercial company or product does not constitute endorsement by the National Oceanic and Atmospheric Administration. Use for publicity or advertising purposes of information from this publication concerning proprietary products or the tests of such products is not authorized.

The content of these reports has not been altered from that submitted by the Principal Investigators. In some instances, grammatical, spelling, and punctuation errors have been corrected to improve readability; some figures and tables have been enhanced to improve clarity in reproduction,
