## CONTENTS

	PAGE
Abstract . . . . .	1
1. Introduction . . . . .	1
2. <b>Oceanographic time series</b> . . . . .	3
3. <b>Hydrographic measurements</b> . . . . .	7
4. <b>Meteorological time series and ice drift</b> . . . . .	9
5. Summary . . . . .	16
6. Acknowledgements . . . . .	17
7. References . . . . .	18

## TABLES

1. <b>Current meter maximum speeds and vector mean velocities, 1986-87</b> . . . . .	4
2. Selected correlations for current meters, 1986-87 . . . . .	5
3. ARGOS buoy deployment information . . . . .	10
4. Coastal meteorological station summary information . . . . .	11
5. <b>Correlations of hourly data from six coastal meteorological stations</b> . . . . .	13
6. <b>Correlations of six-hourly data from four coastal meteorological stations and equivalent FNOC data</b> . . . . .	15
7. Correlation of pressure between two ARGOS buoys and equivalent FNOC data. . . . .	16

## FIGURES

Frontispiece. Ice conditions along the <b>Beaufort</b> shelf during April 1987. . . . .	vi
1. Locations of <b>hydrographic</b> sections occupied in October 1986 and moorings recovered in 1987 . . . . .	22
2. Locations of hydrographic sections occupied in April 1987 . . . . .	23
3. Positions at which ARGOS buoys and stations, and GOES meteorological stations <b>were deployed</b> in 1986-87 . . . . .	24
4. Current vectors from the instruments deployed in October 1986 at the moorings in water 165-170 m deep . . . . .	25
5. Current vectors at the deeper moorings deployed in October 1986. . . . .	26

6. SeaCat temperature and salinity at MA2 and MB2 and current vectors at the deepest meter . . . . .	27
7.-15. Temperature, salinity, density, dissolved oxygen, phosphate, nitrate, nitrite, ammonia, and silicate at section W in October 1986 . . . . .	28
16.-24 . Same for section A in October 1986 . . . . .	37
25.-33. Same for section E in October 1986 . . . . .	46
34.-42. Same for section B in October 1986 . . . . .	55
43.-51. Same for section C in October 1986 . . . . .	64
52.-60. Same for section D in October 1986. . . . .	73
61.-69 . Same for section W in April 1987 . . . . .	82
70.-78 . Same for section A in April 1987. . . . .	91
79.-87 . Same for section B in April 1987. . . . .	100
88.-96, Same for section C in April 1987 . . . . .	109
97. Section view of an ARGOS station . . . . .	118
98. Air temperature and wind speed and direction from Resolution Island for October-December 1986 . . . . .	119
99. Sea-level pressure, wind components and vectors from Resolution Island for October-December 1986 . . . . .	120
100.-101. Same as for 98.-99. for January-March 1987 . . . . .	121
102.-103. Same as for 98.-99. for April-June 1987. . . . .	123
104.-105. Same as for 98.-99. for July-September 1987. . . . .	125
106.-107. Same as for 98.-99. for October-December 1987 . . . . .	127
108. Air temperature and wind speed and direction from <b>Lonely</b> for October-December 1986 . . . . .	129
109. <b>Sea-level</b> pressure, wind components and vectors from Lonely for October-December 1986 . . . . .	130
110.-111. Same as for 108.-109. for January-March 1987. . . . .	131
112.-113. Same as for 108.-109. for April-June 1987 . . . . .	133
114.-115. Same as for 108.-109. for July-September 1987. . . . .	135
116.-117. Same as for 108.-109. for October-December 1987. . . . .	137

118. Air temperature and wind speed and direction from Icy Cape for April-June 1987 . . . . .	139
119. Sea-level pressure, wind components and vectors from Icy Cape for April-June 1987 . . . . .	140
120.-121. Same as for 118.-119. for July-September 1987. . . . .	141
122.-123. Same as for 118.-119. for October-December 1987. . . . .	143
124. Air temperature and wind speed and direction from Bering Strait for October-December 1987 . . . . .	145
125. Sea-level pressure, wind components and vectors from Bering Strait for October-December 1987 . . . . .	146
126.-142. Drift tracks for ARGOS buoys. . . . .	147
143.-150. Examples of sea-level pressure and gradient wind fields over the Beaufort and Chukchi Seas . . . . .	164

Frontispiece. Ice conditions along the Beaufort shelf during April 1987.
